

To: All NSCA Certified Instructors

From: Nichole Bowers, NSCA Assistant Director

It is time to renew your NSCA instructor listing along with your NSCA membership, if you have not done so.

Rather than publishing the NSCA Certified Instructor list in the January issue of Clay Target Nation magazine, beginning in 2025, we will produce a standalone listing that we will distribute quarterly to members. All instructors wishing to be included on the website and in other promotions must renew your listing and pay the \$25 renewal fee.

A fee of **\$25.00**, to renew your listing at the end of the first year, is being charged to help offset the cost of updating files and submitting information on instructors to requesting clubs, and individuals. **Your NSCA membership must also be current** to be listed in the magazine and on the website. If you do not see your name on the NSCA website it may be due to either your membership or your listing renewal expiring, or both. Please forward your check or money order along with the updated information sheet to my attention at NSCA Headquarters. You may also use Master Card, Visa, Discover or American Express to renew your listing.

If the information sheet and instructor renewal fee is not received, we will assume that you are not actively instructing, at the present time.
