LADIES AND GENTLEMEN,

On behalf of the National Sporting Clays Association I would like to personally welcome all competitors, sponsors, vendors, family, and friends to the 2019 National Sporting Clays Championship! Due to last year's success, not a lot is changing. You will again have the opportunity to earn your Golden Tickets on the Main Event and drop them in the box each day for drawings inside the Elite Shotguns vendor building! Thank you to Elite Shotguns who generously sponsors this program.

Please join me in congratulating all the 2019 NSCA Hall of Fame inductees and award recipients. This year's Hall of Fame inductee for shooting achievement is Michael Taylor. Rod Shyda and Glynne Moseley will be awarded the DuPont Service award, and Clayton Rue will be receiving the Hill Adams Award for his involvement in growing youth shooting throughout the years. The banquet will be held on Thursday evening and additional information on tickets and location is available in the program.

Also, back this year is the Beretta Challenge Super Sporting event. Very similar to the main event, you will have the opportunity to earn tickets to enter daily drawings sponsored by Beretta. Don't forget to drop your tickets off in the Beretta vendor building for your chance to win.

Friday morning, we will be offering a "ladies tour" that will be traveling over to historic Fredericksburg. There are a limited number of seats available and the tour will include a stop at the wildflower center, a winery tour, and shopping as well as lunch and a few other adventures. Full details are available in the program.

Due to the continued growth and success of our Ladies Shooting Clinic and NSCA Ladies Open we have made a few small changes to meet to overwhelming requests. This year the clinic will take place Thursday morning, the 24th, and still included is a catered lunch and shooting. The Ladies Open will still be shot on the second Saturday, the 27th, but is being squadded this year. This is a 50-target side-event to give ladies an opportunity to try out the game we all love and join in on the fun. Please contact Glynne Moseley if you are interested in the complimentary clinic, seats are limited.

Opening Ceremonies will be held at 6:30 p.m. Friday in the stadium field. Immediately following that we will not only be drawing for the USA Sporting Clays Team Raffle K-80 Shotgun, but we will kick off the annual Top Gun Shoot-Out as well. This year's Top Gun event is sponsored by Shooting Glass Specialist, Blaser USA and the NSCA. Many great random draw prizes will be given away including guns, but you must be present to win the giveaways. This will be an event you won't want to miss!

On Saturday night we will feature the North vs. South Challenge in the stadium, so be sure you stick around to root for your favorite shooters and get in on your chance to win guns and other giveaways! During the North vs. South Challenge we will also be drawing for the USA Sporting Clays Team Blaser F3 as well as the two EZ-Go Golf Carts.

Last but surely not least, Kolar Arms will again continue the tradition of awarding a Championship Ring to not only the National Champion but the Sub-Gauge National Champion as well. We want to give a special thanks to Kolar for their generous donation to not only the National Championship but their continued support of shotgun sports around the country.

As you enjoy your time here, please remember that our sponsors are a critical part of the National Championship and the NSCA. Our continued success is due in large part to their participation as well as all of yours. Please be sure to stop by and visit all our vendors during your stay in San Antonio; you might just find something you didn't know you needed until you see it.

Thank You and Good Luck to everyone!

DAILY FEE - \$4 per 100 on all registered targets.

MAINTENANCE FEE - A \$2 fee per 100 targets will be charged in all events shot during our National tournament. These specially designated monies will be used for maintenance and/or improvements at the National Shooting Complex.

REFUNDS - No refunds of advance deposits or prepaid entry fees after Monday, September 30 except for emergencies. A written request must be submitted.

All entries are final. After September 30, except for emergencies, entry fees will not be refunded unless the event is cancelled. Shoot management will consider emergency medical withdrawals accompanied by a written request.

ELIGIBILITY - All participants must be current members of the NSCA. Membership applications will be accepted at the shoot. Shooters are requested to provide their social security number at the time of entry so that award checks can be sent promptly. Per IRS regulations, shooters whose cash awards total \$600 or more must provide their social security number before payouts can be made to the shooter.

NO RE-ENTRY ON ANY EVENT

Shooters who choose to depart from regular rotation schedule are not eligible for awards or option money.

Only a citizen of the U.S. can be recognized as the National Champion or receive an award, money or optional purse in the Main Event. Non-citizens of the U.S. will shoot the Main Event at a reduced rate and be eligible only for international awards and monies as stated on page 31.

500 registered targets must be shot since Oct. 1, 2018 or shooter must shoot Penalty Class in all events. *Penalty Class is one class above current classification.

RULES & REGULATIONS - All NSCA rules apply. FITASC rules apply in the 20GA & 28GA and 100-Target FITASC Events, including those applying to age.

PROTESTS AND CORRECTIONS – Corrections to scores, event and concurrent entries and entry into Special Concurrents should be reported to the Registration Desk as soon as they are noticed. It is vitally important for shooters to check the scoreboard to make certain they have been entered in all events for which they are qualified as no additions or corrections to Concurrent and Special Concurrent entries will be made after 12 PM Saturday, October 26. Shooters are urged to check their scores each day as corrections to awards will not be made unless Registration is notified prior to shoot-offs beginning or, in the case of awards not involved in ties, before 8 PM Sunday, October 27.

Protests must be submitted, in writing, to Shoot Management by 6 PM (or 15 minutes after last shot fired) the day the event is shot. Exception: Shooters needing to file a protest on an occurrence that happened on the last flight of the day must immediately report to Shoot Management for instructions. All protests must be made in accordance with NSCA or FITASC rules and will be decided by the Protest Committee whose decision is final.

SHOOT-OFFS - All registered event shoot-offs will be held on Sunday. Shoot-off results take precedence over tiebreaker station results.

All ties in the NSCA Main Championship for Open Champion, Runner-Up and Third, Class First—Third and Concurrent Champion, Runner-Up and Third will be shot off Sunday evening at the conclusion of all events. These shoot-offs will determine both awards and guaranteed cash. Ties for other places will be decided by total score on predetermined tiebreaker stations.

In all other events, shoot-offs will be held only for Open Champion, Runner-Up and Third, Class First and Concurrent Champion. Ties for other places will be decided by total score on predetermined tiebreaker stations.

PAYMENT OF PURSES AND OPTIONS - All purse, option and other payments will be sent to shooters after the shoot. Checks for awards totaling \$600 or more will not be mailed until we have been provided with shooter's SSN.

Gauge	Ounce Lead	Gauge	Ounce Lead
12	1 1/8	28	3/4
20	7/8	.410 (2 1/2")	1/2

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms/lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

CLAYS CARS - Individually-owned clays cars, Gators, Mules and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18

years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from www.mynsca.com. A \$10 trail fee is required for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, contact Lori Hartmann at lhartmann@nssa-nasca.com. Rental Golf Cart forms are available at deverinc.com or contact Dever at 859-455-9586 or by email at info@deverinc.com.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Hartmann at lhartmann@nssa-nasca.com or by US Mail to:

NSCA
Lori Hartmann
5931 Roft Rd
San Antonio, TX 78253

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance into Registration when you arrive and a permit will be produced and issued.

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

SAFETY REQUIREMENTS- Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

OTHER INFORMATION - NSCA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

ASHLEY BLENKER

Ashley Blenker is one of those young ladies who thought sporting clays was for males – until she went to the SCTP National Championship in 2015 to watch her brother shoot. Then she decided to give it a try, joined the SCTP team at Quail Creek Plantation (the Young Guns at Quail Creek), and now is the recipient of a \$2,500 college scholarship from NSCA.

From Cooper City, Florida, Ashley recently graduated from Cooper City High School. She is the daughter of David and Ruthie Blenker.

Ashley received a number of awards in high school for academics and citizenship, graduating with honors and being recognized for service to her community. She was a member of the National Honor Society, Key Club and the Speech and Debate Team. For her shooting accomplishments, she has been named to the SSSF/NRA All-Scholastic Team and to four NSCA Krieghoff All-American teams.

"I am very thankful for my parents, especially my Dad, who have helped me achieve goals that would not have been possible without them. If it were not for sporting clays, I would not have met some of my lifelong friends and mentors," Ashley said. "Shooting has not only taught me how to be a team player, it has helped me become a strong and confident young woman."

Ashley will enter the University of Georgia in the fall to study Public Health. Congratulations, Ashley!

ZACH DAVIN

Congratulations to Zach Davin of Tyler, Texas, recipient of a \$2,500 scholarship from NSCA. A recent graduate of Grace Community School in Tyler, Zach the son of Jennifer and Philip Davin.

"This June marked my five-year anniversary of NSCA competitions," said Zach. "I got started with my school's shotgun team, and my mentor at that time, Will Swinnea, encouraged me to get more involved in the competitive field."

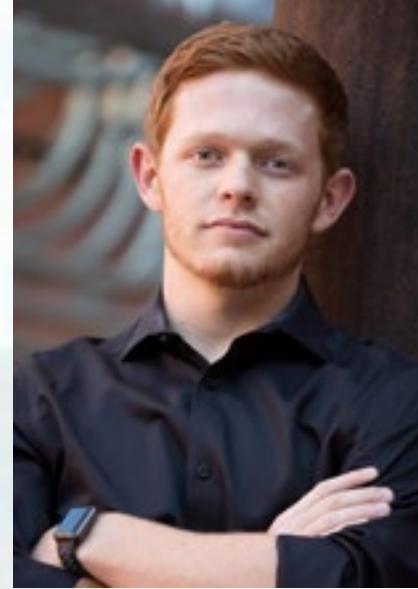

In addition to shooting with the Grace Cougars Shotgun Team for four years, Zach participated in his school's band, was selected to the National Honor Society and received High Academic Honors. He was also a 2019 World Vision U.S. Social Innovation Challenge finalist.

In sporting clays, he has been named to the Krieghoff All-American Junior 1st Team and All-American Sub-Junior Team Captain, and was 28-Gauge National Champion and Texas State Sub-Junior Champion.

Zach cites Tony Monzingo as one of his greatest influences and calls him a "legend, coach and friend. Tony has always been there for me, and I am proud to say he is like family," he stated.

"The opportunities I have been blessed with and the enormous amount of support from my parents have provided for me an example that I want to follow," Zach said. "There is no way I could be where I am without their love and encouragement."

Zach plans to enter Texas A&M University to study mechanical engineering. "I will be joining the Texas A&M Trap and Skeet Team in the fall and am excited for their fellowship and competitive environment," he said.

JARED GREENWOOD

Jared Greenwood of Benton, Kansas, started shooting sporting clays at the age of 10, being introduced to the sport by his stockmaker father, Jim Greenwood. His longtime dedication to the sport has now helped earn him a \$2,500 scholarship from NSCA.

Jared is a 2019 graduate of Circle High School in Towanda, Kansas, and his home club is Lynbrooke Sporting Clays. In the fall, he will begin Business studies at Drury University.

Among his high school accomplishments are being part of the Hugh O'Brien Youth Leadership program and the National Honor Society. As a sporting clays shooter, he has been Kansas State FITASC Champion, Junior National FITASC Champion, Sub-Junior National Champion and Sub-Junior U.S. Open Champion.

Jared offers his thanks to his parents, Jim and Michele Greenwood for allowing him to travel and attend shoots around the country. "I would also like to thank my coach, Anthony Matarese Jr., who has helped me develop my skills. A goal of mine is to graduate college and give lessons, as well as set targets and continue to become the best shooter I can be."

Congratulations, Jared!

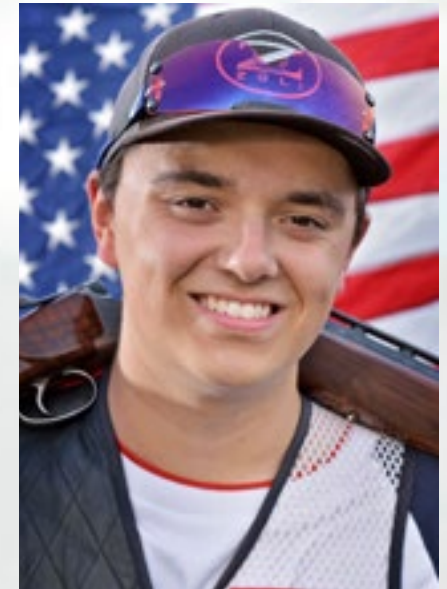

JACOB CAMERON

Congratulations to Jacob Cameron of Bandera, Texas, a recipient of a \$2,500 NSCA scholarship. The son of Laura Cameron and Jim Mills Jr., Jacob recently graduated from Bandera High School and plans to enter Schreiner University to study Engineering.

Jacob has been shooting sporting clays for about six years, after trying other disciplines through his 4-H shotgun team. "After going to my first major NSCA tournament, I knew this was what I wanted to commit to," he says.

In addition to shooting with his FFA and 4-H shotgun teams, Jacob was lead trumpet player with his high school's marching band, jazz band, and symphonic band. He won numerous awards, including Student of the Month for both Bandera Optimist and Bandera ISD. Among his sporting clays honors are being named to the Krieghoff All-American Junior 1st Team for the past two years.

"Throughout my sporting clays career, many people have helped me achieve my personal goals," says Jacob, "including my amazing family and friends. However, it was Keith Banks who truly began my sporting career. Keith was an incredible mentor for me and helped me get down the fundamentals for success. Currently, I am being coached by Joseph Brophy, who continues to help me grow in my sport and has helped me reach the next level of competing in sporting clays."

Kolar Arms continues their commitment to the NSCA National Championship ring program that has been in place for over two decades. Kolar President, John Ramagli, elaborated on the history of the program and clarified the policy in place to recognize multiple year winners. “The program has been in place since 1985 for NSSA Skeet and was initiated by former Kolar owner Don Mainland as a way to recognize National Champions in that sport. Phil Murray was the first person to win the NSSA ring. It was adopted for sporting clays starting in the early 1990s, but we also went back and awarded rings to the NSCA National Champions who won the Nationals before the program was in place for that sport.” Ramagli said Kolar even went so far as to retrospectively award a ring to 1989 Nationals winner Jim Jamison, winner of the first ever NSCA Nationals, held at Minnesota Horse and Hunt, along with all other previous winners.

In 2010 Kolar initiated a second NSCA program – the Sub Gauge

Championship HOA ring, which is awarded each year to the shooter who wins the combined high sub gauge score across all three gauges at the National Championship. Sub gauge shooter extraordinaire, Scott Robertson, was the first ever NSCA Sub Gauge ring recipient. Ramagli says the sub gauge ring is a very special award – and has a distinctive look to it, setting it

apart from the ring that is awarded for the Nationals’ Main Event.

Ramagli explained the policy for acknowledging multiple-year Champions this way. The first time a shooter wins HOA at the Championship he is awarded a ring, which is augmented with multiple diamond chips in the ring bezel upon winning a second Championship. A third Championship earns a proportionally-sized diamond in the large stone. A second ring would be awarded upon winning a fourth Championship, should that occur. The rings are funded entirely by Kolar and are crafted by Jostens, maker of fine rings used to acknowledge championships and events by professional sports leagues like the National Football League, Major League Baseball, National Hockey League, National Basketball League and NASCAR.

“We’ve committed to the ring program with the NSSA and NSCA for years to come,” said Ramagli. NSCA expresses its appreciation to Kolar Arms and John Ramagli whose support raises the bar for the game of sporting clays.

CHAMPIONSHIP TOUR RULES & CALCULATION PROCESS

All NSCA members are eligible no minimum event participation required

- Champions crowned in 14 Categories: Open, Lady, Sub-Junior, Junior, Veteran, Super Veteran, Senior Super Veteran, Master, AA, A, B, C, D, E.
 - A shooter's eligibility for concurrent awards is based on the shooter's current NSCA classification.
 - A shooter's eligibility for class awards is based on the shooter's NSCA class at the beginning of the target year.
 - The top 10 scores and all ties in each of the 14 categories within the Main, FITASC & 5-Stand Events* at each of the Championship Tour events will be awarded points.
- *At the National Championship, the K-Kup event will be used in place of the 5-Stand Event.

POINTS DISTRIBUTION EXAMPLES & RANKING OF TIED SCORES

178 = 10	163 = 4
175 = 9	163 = 4*
171 = 8	161 = 2
171 = 8*	160 = 1
171 = 8*	*Skipped due to tie
169 = 5	

This is the method used in all 14 categories. Notice that tied scores are given the same number of points but the next lower number is skipped so that only 10 points are distributed.

Determining a National Champion

If the main event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the National champion, runner-up, and third place as well as first, second and third places in all Classes and Concurrents.

- 1) The total scores shot from all competitors plus the addition of 75 targets for any courses not shot will be the raw score to determine the champion, runner-up, and third place for the championship as well as first, second and third places in all Classes and Concurrents. No champion will be named unless all competitors have shot at least 150 targets.
- 2) Wednesday can be used to make up any day lost on either of the two day rotations, however if for any reason any rotation cannot be completed for any day, then that entire rotation will be counted as 75 targets for each competitor on each rotation. If this is to happen on one of the two day rotations, then the corresponding rotation(s) for the 4-day rotation will also be counted as 75 targets to each competitor. If one of the rotations on the 4-day cannot be completed for any reason, then the corresponding rotation on the 2-day rotations will be counted as 75 targets.
- 3) Ties will be shot-off or broken as if no uncontrollable occurrence has happened.
- 4) The shoot-off for National champion, runner-up and third place will be held, weather permitting, on Sunday of the National Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST.
- 5) The shoot-off for first, second and third place in all Classes and Concurrents will be held, weather permitting, on Sunday of the National Championship at approximately 6:30 p.m. CST at a site to be announced.
- 6) If these above mentioned shoot-offs cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner-up, and third place as well as first, second, and third places for all Classes and Concurrents shall be decided by scores on (2) two pre-determined tie-breaker stations on a course(s) that all competitors who are tied have completed. Assuming competitors have completed the course, the pre-determined tie-breaker stations will be used from courses in the following order: Red, Yellow, Green, Orange. If there is still a tie after comparing scores on all possible tie-breaker stations the Class and Concurrent champion, runner-up, and third place will be determined by the longest run from the front on courses they have all completed following the order listed above.
- 7) Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
- 8) The shoot-off rotation will be determined by a lottery draw completed inside registration.
- 9) The National Champion will be the individual with the highest score.

Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge and Parcours de Chasse Events

If the Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge or Parcours de Chasse events of the National Championship are shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the open champion, runner-up, and third place as well as Class and Concurrent champions from shooters who have completed the events.

1. All awards will be based on scores of competitors who complete the event. If no shooters complete the event, no awards or punches will be provided.
2. The shoot-off(s) for event champion, runner-up and third place as well as Class and Concurrent champion in each event will be held, weather permitting, on Sunday of the National Championship at approximately 6:30 p.m. CST at a site to be announced.
3. If the above mentioned shoot-off(s) cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge and Parcours de Chasse event's open champion, runner-up, and third place as well as Class and Concurrent champions shall be decided by scores on (3) three rank-ordered, pre-determined tie-breaker stations. If there is still a tie after comparing scores on all possible tie-breaker stations the open champion, runner-up, third place and Class and Concurrent champions will be determined by the longest run from the front of the event.
4. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
5. The shoot-off rotation will be determined by a lottery draw completed inside registration.
