LADIES & GENTLEMEN,

On behalf of the National Sporting Clays Association I would like to personally welcome all competitors, sponsors, vendors, family, and friends to the 2020 National Sporting Clays Championship! 2020 has been a different year for sure, and we are very excited about the number of members who are making the trip to be with us for this event. Due to the pandemic situation and the need for social distancing things will be different this year regarding social gatherings, however we made every effort to keep everything that we could the same. You will still have World class targets to challenge you at every event and most of our sponsors and vendors will be here for you to visit with. Unfortunately, we did have to cancel Friday and Saturday nights parties along with the Top Gun Shoot-Out and North vs. South, but we will still be doing the Golden Target scavenger hunt sponsored by MEC. You will also still have the opportunity to earn your Elite Shotguns Golden Tickets on the Main Event and Beretta Super Sporting Challenge Tickets to be entered each day for drawings inside their vendor buildings!

We are excited to also still offer our Ladies Shooting Clinic and NSCA Ladies Open this year. The complimentary clinic will take place Thursday, the 22nd in the stadium. There are still spots available, but it is filling up fast, so be sure to see Glynne Moseley to reserve your time. The Ladies Open will take place on Saturday, the 24th and has its own dedicated course this year. This is a 50-target side-event to give ladies an opportunity to try out the game we all love and join in on the fun.

Please join me in congratulating our 2020 NSCA Hall of Fame inductees and award recipients. This year's Hall of Fame inductee for shooting achievement is Carl "Skip" Zapffe, and the DuPont Service award recipients are Lois Neely and Phil Murray. This year's banquet had to unfortunately be cancelled, but we will be recognizing these well-deserved individuals during the week and at the 2021 Hall of Fame Banquet.

Last but surely not least, Kolar Arms will again continue the tradition of awarding a Championship Ring to not only the National Champion but the Sub-Gauge National Champion as well. We want to give a special thanks to Kolar for their generous donation to not only the National Championship but their continued support of shotgun sports around the country.

As you enjoy your time here, please remember that our sponsors are a critical part of the National Championship and the NSCA, and our continued success is due in large part to their participation as well as all of yours. Please be sure to stop by and visit all our vendors during your stay in San Antonio; you might just find something you didn't know you needed until you see it.

Thank You and Good Luck to everyone!

ELIGIBILITY - All participants must be current members of the NSCA. Membership applications will be accepted at the shoot. Shooters are requested to provide their social security number at the time of entry so that award checks can be sent promptly. Per IRS regulations, shooters whose cash awards total \$600 or more must provide their social security number before payouts can be made to the shooter.

NO RE-ENTRY ON ANY EVENT

Shooters who choose to depart from regular rotation schedule are not eligible for awards or option money.

Only a citizen of the U.S. can be recognized as the National Champion or receive an award, money or optional purse in the Main Event. Non-citizens of the U.S. will shoot the Main Event at a reduced rate and be eligible only for international awards and monies as stated on page 35.

PENALTY CLASS REQUIREMENTS HAVE BEEN WAIVED FOR 2020.

RULES & REGULATIONS - All NSCA rules apply. FITASC rules apply in the 20GA & 28GA and 100-Target FITASC Events, including those applying to age.

PROTESTS AND CORRECTIONS – Corrections to scores, event and concurrent entries and entry into Special Concurrents should be reported to the Registration Desk as soon as they are noticed. It is vitally important for shooters to check the scoreboard to make certain they have been entered in all events for which they are qualified as no additions or corrections to Concurrent and Special Concurrent entries will be made after 12 PM Saturday, October 24. Shooters are urged to check their scores each day as corrections to awards will not be made unless Registration is notified prior to shoot-offs beginning or, in the case of awards not involved in ties, before 8 PM Sunday, October 25.

Protests must be submitted, in writing, to Shoot Management by 6 PM (or 15 minutes after last shot fired) the day the event is shot. Exception: Shooters needing to file a protest on an occurrence that happened on the last flight of the day must immediately report to Shoot Management for instructions. All protests must be made in accordance with NSCA or FITASC rules and will be decided by the Protest Committee whose decision is final.

SHOOT-OFFS - All registered event shoot-offs will be held on Sunday. Shoot-off results take precedence over tiebreaker station results.

All ties in the NSCA Main Championship for Open Champion, Runner-Up and Third, Class First—Third and Concurrent Champion, Runner-Up and Third will be shot off Sunday evening at the conclusion of all events. These shoot-offs will determine both awards and guaranteed cash. Ties for other places will be decided by total score on predetermined tiebreaker stations.

In all other events, shoot-offs will be held only for Open Champion, Runner-Up and Third, Class First

Gauge	Ounce Lead	Gauge	Ounce Lead
12	1 1/8	28	3/4
20	7/8	.410	1/2

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms/lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

CLAYS CARS - Individually-owned clays cars, Gators, Mules and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from <u>www.mynsca.com</u>. A \$10 trail fee is required

GENERAL INFORMATION (CONT.)

for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, contact Glynne Moseley at <u>gmoseley@nssa-nsca.com</u>. Rental Golf Cart forms are available at <u>deverinc.com</u> or contact Dever at 859-455-9586 or by email at <u>info@deverinc.com</u>.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Glynne Moseley at <u>gmoseley@nssa-nsca.com</u> or by US Mail to:

NSCA Glynne Moseley 5931 Roft Rd San Antonio, TX 78253

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance to NSCA Championship Tour Trailer outside the Club House when you arrive and a permit will be produced and issued.

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

SAFETY REQUIREMENTS- Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

OTHER INFORMATION - NSCA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

MEC GOLDEN TARGET EVENT

Saturday, October 17 – Sunday, October 25

Sponsored By:

Every day we will hide at least one Golden Target on the grounds of the National Shooting Complex and send the clues out via text opt-in service. The person who finds the MEC Golden Target first and brings it in will win one of many great prizes including a MEC 100 E Sporter machine, a MEC Reloader, guns and more! Don't forget to sign up for the Golden Target text message updates by the time you get here for your opportunity to participate. Just text **GOLDENTARGET** to the short-code **94253**, which works just like a phone number.

The general shoot text updates and Golden Target messages will be separate, so be sure to sign up for both!

ELITE SHOTGUNS GOLDEN TICKET

Again this year is the "Golden Ticket" (not to be confused with the Golden Target) – Located on each course of the Main Event is a station where you shoot just a single target, if you hit that target you will be given a Golden Ticket by the trapper.

When you are done shooting you will take that ticket and drop it in the bucket located in the Elite Shotguns building on Vendor's Row to be eligible for great prizes. Everyone who is shooting the Main Event will have 4 chances to receive a Golden Ticket!

While participating on the Jefferson Trap Shooting Team he won Second Team All-Conference and 1st Place All-Scholastic Team in sporting, skeet, and trap. Mitchell also holds several Wisconsin SCTP Team and Individual titles throughout his high school career.

The son of Dave and Lisa Heinzen, Mitchell credits his grandfather and brother for piquing his interest in sporting clays. Mitchell explains, "My grandfather has been a big influence on my shooting career. If it were not for him, I probably would not even know what sporting clays is. He and my brother have taught me all I know about shooting. They both helped me achieve my goal in placing at individual state sporting clays."

MATTHEW BLANKENSHIP

Congratulations to Matthew Blankenship of Sumter, South Carolina, on receiving a \$5,000 scholarship from NSCA. A member of SCDNR Wateree Range & Shaw Air Force Base Gun Club, Matthew plans to attend Lindenwood University, where he received both an academic and shooting scholarship.

I would also like to thank the South Carolina youth shooting organizations SCDNR, SCTP, 4-H, and SCYSF

friends, and I look forward to making many more on the shooting team at Lindenwood University."

"I am fortunate to have team coaches like Lee Summerford, Doug Williams, Zach Guerrettaz, and others who keep it fun and make that three-hour round trip drive to Forest City Gun Club worth it. I've also had help along the way from Will Fennell, Zach Kienbaum and Kevin DeMichiel. NATIONAL CHAMPIONSHIP RING

KOLAR RING PROGRAM

Kolar Arms continues their commitment to the NSCA National Championship ring program that has been in place for over two decades. Kolar President, John Ramagli, elaborated on the history of the program and clarified the policy in place to recognize multiple year winners. "The program has been in place since 1985 for NSSA Skeet and was initiated by former Kolar owner Don Mainland as a way to recognize National Champions in that sport. Phil Murray was the first person to win the NSSA ring. It was adopted for sporting clays starting in the early 1990s, but we also went back and awarded rings to the NSCA National Champions who won the Nationals before the program was in place for that sport." Ramagli said Kolar even went so far as to retrospectively award a ring to 1989 Nationals winner Jim Jamison, winner of the first ever NSCA Nationals, held at Minnesota Horse and Hunt, along with all other previous winners.

In 2010 Kolar initiated a second NSCA program – the Sub Gauge

Championship HOA ring, which is awarded each year to the shooter who wins the combined high sub gauge score across all three gauges at the National Championship. Sub gauge shooter extraordinaire, Scott Robertson, was the first ever NSCA Sub Gauge ring recipient. Ramagli says the sub gauge ring is a very special award – and has a distinctive look to it, setting it

apart from the ring that is awarded for the Nationals' Main Event.

Ramagli explained the policy for acknowledging multiple-year Champions this way. The first time a shooter wins HOA at the Championship he is awarded a ring, which is augmented with multiple diamond chips in the ring bezel upon winning a second Championship. A third Championship earns a proportionallysized diamond in the large stone. A second ring would be awarded upon winning a fourth Championship, should that occur. The rings are funded entirely by Kolar and are crafted by Jostens, maker of fine rings used to acknowledge championships and events by professional sports leagues like the National Football League, Major League Baseball, National Hockey League, National Basketball League and NASCAR.

"We've committed to the ring program with the NSSA and NSCA for years to come," said Ramagli. NSCA expresses its appreciation to Kolar Arms and John Ramagli whose support raises the bar for the game of sporting clays.

JIMMY REED MEMORIAL EVENT

Jimmy worked in the sporting clays industry for 25 years, dedicating his service not only to growing our sport but also being an ambassador for youth target shooting. He started his career at the National Shooting Complex, traveled around the country to different clubs, then finally ended his career working at Birds Landing Hunting Preserve & Sporting Clays in California.

Every year one of the courses in the main event at Nationals will be selected, and the high score of that course will be awarded the Jimmy Reed Memorial Trophy. A perpetual trophy will be housed in the Hall of Fame Museum displaying the name of each year's winner.

NATIONAL CHAMPIONSHIPS CONTINGENCY PLAN

Determining a National Champion

If the main event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the National champion, runner-up, and third place as well as first, second and third places in all Classes and Concurrents.

1) The total scores shot from all competitors plus the addition of 75 targets for any courses not shot will be the raw score to determine the champion, runner-up, and third place for the championship as well as first, second and third places in all Classes and Concurrents. No champion will be named unless all competitors have shot at least 150 targets.

2) Wednesday can be used to make up any day lost on either of the two day rotations, however if for any reason any rotation cannot be completed for any day, then that entire rotation will be counted as 75 targets for each competitor on each rotation. If this is to happen on one of the two day rotations, then the corresponding rotation(s) for the 4-day rotation will also be counted as 75 targets to each competitor. If one of the rotations on the 4-day cannot be completed for any reason, then the corresponding rotation on the 2-day rotations will be counted as 75 targets.

3) Ties will be shot-off or broken as if no uncontrollable occurrence has happened.

4) The shoot-off for National champion, runner-up and third place will be held, weather permitting, on Sunday of the National Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST.

5) The shoot-off for first, second and third place in all Classes and Concurrents will be held, weather permitting, on Sunday of the National Championship at approximately 6:30 p.m. CST at a site to be announced.

6) If these above mentioned shoot-offs cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner-up, and third place as well as first, second, and third places for all Classes and Concurrents shall be decided by scores on (2) two pre-determined tie-breaker stations on a course(s) that all competitors who are tied have completed. Assuming competitors have completed the course, the pre-determined tie-breaker stations will be used from courses in the following order: Red, Yellow, Green, Orange. If there is still a tie after comparing scores on all possible tie-breaker stations the Class and Concurrent Champion, Runner-Up, and Third place will be determined by the longest run from the front on courses they have all completed following the order listed above.

7) Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
8) The shoot-off rotation will be determined by a lottery draw completed inside registration.

9) The National Champion will be the individual with the highest score.

NATIONAL CHAMPIONSHIPS CONTINGENCY PLAN

Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge and Parcours de Chasse Events

If the Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge or Parcours de Chasse events of the National Championship are shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the open champion, runner-up, and third place as well as Class and Concurrent Champions from shooters who have completed the events.

- 1. All awards will be based on scores of competitors who complete the event. If no shooters complete the event, no awards or punches will be provided.
- 2. The shoot-off(s) for event champion, runner-up and third place as well as Class and Concurrent Champion in each event will be held, weather permitting, on Sunday of the National Championship at approximately 6:30 p.m. CST at a site to be announced.
- 3. If the above mentioned shoot-off(s) cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge and Parcours de Chasse event's open champion, runner-up, and third place as well as Class and Concurrent Champions shall be decided by scores on (3) three rank-ordered, pre-determined tie-breaker stations. If there is still a tie after comparing scores on all possible tie-breaker stations the open champion, runner-up, third place and Class and Concurrent Champions will be determined by the longest run from the front of the event.
- 4. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
- 5. The shoot-off rotation will be determined by a lottery draw completed inside registration.
