A suggestion was made by Anne Mauro that we reach out to and market the Scholastic Program to youth shooting organizations. Suggested points of contact are: Contact Mike Borg (Executive Director of USAYESS) - Russ Arnold / Anne Mauro to follow-up.

Brett Seibert discussed the NRA Sponsorship, the effort to attract recreational clay target shooters and the possibility of offering a recreational membership.

The group agreed to request the continuation of funding for previously approved, but as yet, uncompleted program initiatives.

It was suggested that we market Level II instructors in a "Meet the Instructor" or Instructor Highlight feature in CTN magazine and online.

Action Items:

- 1) Contact youth program leaders (perhaps a "Did You Know" brochure) to the leaders / coaches of scholastic programs.
- 2) Sub committee formed consisting of Adam Blair, Anne Mauro and Jason Miller to make recommendations regarding NSCA Recreational Membership.
- 3) Don Currie will reach out to Gary Burley to ensure IT integration of the instructor microsite.
- 4) Don Currie to follow-up with Sherry Kerr regarding the "Meet the Instructor" feature.

Motion to adjourn by Steve Schultz. Seconded by Adam Blair.
