**Exhibit Space:** Exhibit space is available. Fee is \$175 for a 25' x 35' outdoor space. A 6' table with two chairs in Mini Mall is \$225. Advance reservations must be made with Olivia at the NSC; email- nscrvc@nssa-nasca.com, phone- 210-688-3371 ext. 138.

Corrections to scores, event and concurrent entries should be reported to Registration as soon as they are noticed. It is very important for shooters to check the scoreboard to make certain they have been entered in all events for which they are qualified as no additions or corrections to concurrent entries will be made after noon Saturday, April 29. Shooters are urged to check their scores each day as corrections to awards will not be made unless Registration is notified prior to shoot-offs beginning or, in the case of awards not involved in ties, before 6 pm April 30.

Protests must be submitted in writing to Shoot Management by 6 pm (or 15 minutes after last shot fired) the day the event is shot. Exception: Shooters needing to file a protest on an occurrence that happened on the last flight Friday, Saturday or Sunday must immediately report to Shoot Management for instructions. All protests must be made in accordance with NSCA or FITASC rules and will be decided upon by the Protest Committee whose decision is final.

**Personal Cart Insurance:** NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Hartmann at lhartmann@nssa-nasca.com or by US Mail to:

**NSCA**  
**Lori Hartmann**  
**5931 Roft Rd**  
**San Antonio, TX 78253**

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance into Registration when you arrive and a permit will be produced and issued.

**Clays Cars:** Individually-owned clays cars, gators, mules and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATV or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from [www.mynsca.com](http://www.mynsca.com). A \$10 trail fee is required for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, call Lori Hartmann at 210-688-3371 ext. 116. Rental Golf Cart forms are available at [deverinc.com](http://deverinc.com) or contact Dever at 859-455-9586 or by email at [info@deverinc.com](mailto:info@deverinc.com).

**Safety Requirements:** Eye and ear protection is mandatory. All persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course.

**Shotgun Storage:** Secure storage is available for participants' guns. Cost is \$5 per day per gun.

**Inclement Weather/Lightning Plan Of Action:** At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms/lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

**Other Information:** Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. Management decisions are final. In accordance with NSCA Rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in Management's opinion, whose conduct is unsportsmanlike.

Spectators and contestants assume all risks resulting from accident or loss of property occurring on the NSC property. The NSC and NSCA are not responsible for theft or accidents of personal property or vehicles.
