LADIES & GENTLEMEN,

Welcome to the 2022 World English Sporting Clays Championship and the National Shooting Complex in beautiful San Antonio, Texas! We are beyond excited to have so many of our international friends and family able to finally gather for this event again after the past couple years of restrictions due to the pandemic. Over 15 countries are scheduled to be represented here in San Antonio to determine who will go home with the title of 2022 World Sporting Clays Champion.

We invite everyone to join us for cocktails, dinner and opening ceremonies Friday evening that will be followed by live music and a fireworks display. Saturday night we will host the traditional Yanks vs. Brits Shoot-Out by White Flyer in the stadium where members of the USA Sporting Clays Team will compete head-to-head with Team England for the coveted du Pont Cup award. Our Championship Party will be held in conjunction with the Shoot-Out Saturday evening where we will again be serving complimentary cocktails and dinner for all participants and guests. Additionally, we will be offering complimentary beer, wine, and hors d'oeuvres on Wednesday, Thursday, and Sunday.

Our sponsors and vendors are an essential part of this event and helping to make it such a huge success, please take time to visit vendors row and check out the latest and greatest items that shooting sports has to offer.

We at the National Sporting Clays Association and National Shooting Complex want to thank all competitors for attending this year's Championship event and hope you all enjoy yourselves! If you have any questions during the event, please see Norma at the registration desk and she will be happy to assist you.

Be sure to mark your calendars for next year's World English Sporting Clays Championship to be held July 3rd - 9th in England, the location is still to be determined.

Thank Y'all For Coming and Good Luck to Everyone!

12	1 1/8	28	3/4
20	7/8	.410	1/2

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms/lightning strikes observed.

GENERAL INFORMATION

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

CLAYS CARS - Individually-owned clays cars, Gators, Mules and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from www.mynsca.com. A \$10 trail fee is required for all personal carts. A cart permit will be issued upon NSC receiving the trail fee and verifying insurance. For more specific information, contact Lori Bauchman at lbauchman@nssa-nasca.com. Rental Golf Cart forms are available at mynsca.com under World English or contact Lori Bauchman at lbauchman@nssa-nasca.com.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Bauchman at lbauchman@nssa-nasca.com or by US Mail to:

NSCA
Lori Bauchman
5931 Rofit Rd
San Antonio, TX 78253

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance to Registration when you arrive and a permit will be produced and issued.

UNSPORTSMANLIKE CONDUCT - Any shooter exhibiting unsportsmanlike conduct of any kind will be subject to disqualification. Forms of unsportsmanlike conduct include, but are not limited to; falsifying scores, badgering the referees, calling chips for yourself, begging for targets, and verbal or physical abuse of any shooter, scorer, field judge, shoot official or protest committee.

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSC.

SAFETY REQUIREMENTS- Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

OTHER INFORMATION - Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

CAESAR
GUERINI

Introducing the new
360CLICK quick
change choke
system:

No twisting? No wrench?
No time wasted? No sh*t?

We're all human.

Let's face it. We're all human, and we're much more likely to do something we *should* do, when it's easy. It's just human nature. All other things being equal, we'll make the easy choice.

Well, what if the easy choice was more than just easier? What if the results were better? What if it was easier, faster, *and* better? The 360CLICK 1-turn choke connection system is the first major leap forward in choke design in years. And we mean major!

It's all so simple.

360CLICK chokes, after installing adapter, solidly mount with slightly less than one full turn as compared with currently existing chokes that require up to 18 turns to securely mount.

Sorry, no more excuses.

What could be easier? Nothing we know of!
What could be faster? Doesn't exist!
What could be better? What could be

better than shaving valuable seconds off a necessary choke change so you can spend those seconds planning your shot. What could actually be better than making an easy, quick change—*c'mon, you know you should make that*

change—to score better, no matter what your game?

The 360CLICK connection system is currently available in Browning Invector Plus, Beretta Optima HP, Beretta Mobil, and Blaser, with more configurations to follow.

Is there an easy way to get your hands on 360CLICK?

Absolutely! Come by the Briley showroom in Houston, or go to Briley.com for more information. It's really very easy.

2022 WINCHESTER LADIES CUP TOUR STOP

The World English Sporting Clays Championship is one of this year's tour stops for the Winchester Ladies Cup. The Ladies Cup is a season-long sporting clays competition designed specifically for ladies who shoot on the NSCA Championship Tour, powered by Winchester. Winchester is awarding \$5,000 total in added payout dollars to the top three all-around female competitors at this year's World English based on the highest cumulative score in the Five-Stand, Main Event and FITASC Events. The all-around champion will receive an additional \$2,500, the runner-up will receive \$1,500 and all-around third place will receive \$1,000.

BERETTA EXTREME SUPER SPORTING

When you shoot the Beretta Extreme Super Sporting course you will have the opportunity to win a Beretta Extreme Ticket at each of the four Beretta Extreme Stations. If you hit the designated single or pair at the station you will receive a ticket to be filled out and turned into in at the Beretta Vendor Building for the daily prize drawing. Four stations means you can earn four tickets, and will have four chances to win! Drawings will be held daily starting Thursday through Sunday, then all tickets will be combined back together for a Grand Prize Drawing.

DETERMINING A WORLD CHAMPION

If the main event of the World English Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the World English Sporting champion, runner up, and third place.

- 1) The total score shot from all competitors plus the addition of 66 or 68 (whichever course you have not shot) targets for the remaining course not shot will be the raw score to determine the shoot off for champion, runner-up, and third place for the World English Championship. The top 6 scores and all ties will move into the stadium field to attempt a 25 bird Super Final. The competitors will continue to shoot an additional 25 targets until all ties have been broken to establish the Champion, Runner Up, and third as well as any additional places in Master Class. First Second and third in all classes and concurrent will be determined by a shoot off in the corresponding field to determine class and concurrent champions. No champion will be named unless all competitors have shot at least 132 target.
- 2) Ties will be shot-off or broken as if no uncontrollable occurrence has happened.
- 3) The shoot-off for champion, runner-up and third place will be held, weather permitting, on Sunday of the World English Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST.
- 4) The shoot-off for first, second and third place in all Classes and Concurrents will be held, weather permitting, on Sunday of the World English Championship at approximately 6:30 p.m. CST at a site to be announced.
- 5) If these above mentioned shoot-offs cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner up, and third place as well as first, second, and third places for all Classes and Concurrents shall be decided by scores on 4 pre determined tie breaker stations on each course(s) that all competitors who are tied have completed. Assuming competitors have completed the course, the pre determined tie breaker stations will be used from courses in the following order: East then West. If there is still a tie after comparing scores on all possible tie breaker stations the Class and Concurrent champion, runner up, and third place will be determined by the longest run from the front on courses they have all completed following the order listed above.
- 6) Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
- 7) The shoot-off rotation will be determined by a lottery draw completed inside registration.
- 8) The World English Sporting Champion will be the individual with the highest score.
