

# NSCA SCTP All American Team

Updated 5/27/2026

The NSCA-SCTP All-American Team recognizes SCTP athletes who compete in all NSCA registered events. To be eligible for the SCTP All-American Team, a shooter must be a member in good standing with NSSA/NSCA and SCTP, must shoot a minimum of 500 NSCA registered targets, and must shoot their respective SCTP State or Regional shoot or the SCTP National Championships. Targets for SCTP closed shoots will also be included in the targets counted unlike regular All American which excludes all closed shoots. SCTP shoots will be identified with "SCTP" in the shoot name.

The NSCA-SCTP All-American Team will be determined via points earned by competing and placing against other SCTP athletes in concurrent.

NSCA-SCTP All-American selection will be divided into four teams: Open Sub-Junior, Lady Sub-Junior, Open Junior, and Lady Junior. Up to eight members will be selected to each team. Points can be earned from January 1 to December 31, with the team being selected in the spring of the following shooting year. **Athletes who are selected to an NSCA Sub-Junior or Junior Concurrent for the Kreighoff All-American Team or FITASC All-American Team will not be eligible to make the NSCA-SCTP All-American Team.**

## Awarding Points

Points are awarded depending on the total entries in concurrent, and placement (including ties) at the event. The following table shows how points are awarded to the top scores (and any ties) based on the criteria mentioned above. The points awarded will be used in the formula to calculate the number of SCTP All-American Points a shooter will receive.

| Place         | Concurrent Entries |      |
|---------------|--------------------|------|
|               | 1 to 99            | 100+ |
| 1st           | 2                  | 2.5  |
| 2nd           | 1.5                | 2    |
| 3rd           | 1                  | 1.5  |
| 4th           | 0.5                | 1    |
| 5th thru 10th | 0                  | 0.5  |

## Formula for All-American Points

Concurrent Events: Total Points \* Number of Concurrent Entries = SCTP All American Points
