

Competition Committee Agenda

- 1. Review Regional Bid form**
- 2. Review US Open Bid Form**
- 3. Review World Fitasc Bid Form**

National Championship Contingency Plan

Determining a National Champion

If the main event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the National champion, runner-up, and third place.

- 1) The total scores shot from all competitors plus the addition of 75 targets for any courses not shot will be the raw score to determine the winner, runner-up, and third place for all Classes and Concurrents. *No champion will be named unless all competitors have shot at least 150 targets.*
- 2) Ties will be shot-off or broken as if no uncontrollable occurrence has happened.
- 3) The shoot-off will be held, weather permitting, on Sunday of the National Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST. If the shoot-off cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner-up, and third place shall be decided by scores on two pre-determined tie-breaker stations on a course(s) that all competitors who are tied have completed. Assuming competitors have completed the course, the pre-determined tie-breaker stations will be used from courses in the following order: Red, Yellow, Green, Orange. If there is still a tie after comparing scores on all possible tie-breaker stations the Class and Concurrent champion, runner-up, and third place will be determined by the longest run from the front on courses they have all completed following the order listed above.
- 4) Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
- 5) The National Champion will be the individual with the highest score.
- 6) Wednesday can be used to make up any days lost on either of the two day rotations. If for any reason any rotation cannot be completed for any day, then that entire rotation will be counted as 75 targets for each competitor on each rotation. If this is to happen on one of the two day rotations, then the corresponding rotation for the 4-day rotation will also be counted as 75 to each competitor. If one of the rotations on the 4-day cannot be completed for any reason, then 75 targets will be added for that course. the corresponding course from the 2-day rotations will also be counted as 75 targets.
- 7) The shootoff rotation will be determined by lottery draw completed inside registration

Determining Class and Concurrent Champions

If any of the main event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and

National Sporting Clays Association the following procedure will be used to establish the Class and Concurrent champion, runner-up, and third place.

- 1) To determine the Class and Concurrent champions we will use the same process as that for the National Champion.
- 2) Shoot-offs for Class champion, runner-up, and third will be conducted on Sunday evening at approximately 6:30 p.m. at a site to be announced
- 3) Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.

Krieghoff-Kup, 5-Stand, Compak, Small Gauge and Parcours de Chasse Events

If the Krieghoff-Kup, 5-Stand, Compak, Small Gauge or Parcours de Chasse event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the open champion, runner-up, and third place as well as Class and Concurrent champions from shooters who have completed the events.

- 1) All awards will be based on scores of competitors who complete the event. If no shooters complete the event, no awards or punches will be provided.
- 2) Shoot-offs for event champion, runner-up, and third place will be conducted on Sunday evening at approximately 6:30 p.m. at a site to be announced.
- 3) Shoot-offs for Concurrent and Class champion, runner-up, and third place in the Krieghoff-Kup, 5-Stand, Compak, Small Gauge and Parcours de Chasse events will be conducted on Sunday evening at approximately 6:30 p.m. at a site to be announced.
- 4) The shoot-off will be held, weather permitting, on Sunday of the National Championship at approximately 6:30 p.m. CST. If the shoot-off cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the Krieghoff-Kup, 5-Stand, Compak, Small Gauge and Parcours de Chasse event's open champion, runner-up, and third place as well as Class and Concurrent champions shall be decided by scores on (3) three rank-ordered, pre-determined tie-breaker stations. If there is still a tie after comparing scores on all possible tie-breaker stations the open champion, runner-up, third place and Class and Concurrent champions will be determined by the longest run from the front of the event.
- 5) Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
