

NATIONAL DELEGATE NOMINATION FORM

ELECTION OF 2025 – 2026 NATIONAL DELEGATES

This year, the NSCA membership will once again elect the National Delegates who will assist in the governance of our association. Current Delegates WILL NOT AUTOMATICALLY appear on the ballot as a candidate. We want every state to have the full voting power to which it is entitled; check the table to the right for how many delegates your state is eligible to elect. Each member in every state should share the responsibility of nominating enough potential National Delegates to fill all of the allotted slots, as well as urge all other members in your state to cast a vote in the election.

The nominee and all five of the endorsers must be current members of the NSCA, and all must live in the state that the nominee will represent. **CLM and Crossfire members are not eligible.** All nomination forms must be received between July 1-21, 2024. Nomination forms must include all required information, including the signature of five current members with membership number included, along with the candidate's signature and NSCA number on the same form.

In order to run for the Executive Council, you must be an elected National Delegate. Additionally, to become an elected officer of the NSCA, you must have been elected to the Executive Council.

Ballots will be emailed to all current members with an email address on file, by state, on August 1, 2024, and the deadline to vote is August 31, 2024. To be elected, candidates must receive at least five votes from qualified voters living in their state. Votes will be tabulated as quickly as possible and elected delegates will be notified. Results will also be posted on MyNSCA.com as well as in Target Talk. Ballots for run-off elections, when necessary due to tied votes, will be sent out immediately after results are completed.

If you are nominating another person as a National Delegate, that person must sign the nomination form as the candidate willing to accept the responsibilities of the position. **Please review the NSCA Charter regarding National Delegate Elections for reference, found at MyNSCA.com in the "Members" section, Governance page.**

Nomination forms will be submitted to a new email address: NSCAElection@nssa-nsca.com, or can be faxed to (210) 688-3014. Once your nomination form has been vetted for having met all requirements, you will receive an email advising that it has been received and accepted. If all requirements are not met, you will receive an email explaining what is needed to complete your submission. If you don't receive an email, please allow three (3) business days after your submission before contacting us at NSCAElection@nssa-nsca.com to check on it.
