

The logo is a shield-shaped emblem. At the top, it features a red and white stylized target symbol. Below this, the text "2024 NSCA" is written in white on a dark blue background, flanked by two white stars. The word "NATIONAL" is written in large, white, outlined letters across the middle. Below "NATIONAL", the words "SPORTING CLAYS" are written in red on a white banner, and "CHAMPIONSHIP" is written in dark blue on a white banner below that. At the bottom of the shield is a red and white stylized target symbol. The entire logo is set against a background of a larger, faint version of the same shield.

LADIES & GENTLEMEN,

On behalf of the NSCA Executive Council and the headquarters staff I would like to welcome all competitors, sponsors, vendors, family, and friends to the 2024 National Sporting Clays Championship! This continues to be the largest sporting clays shoot in the world, and we pride ourselves on hosting an event for shooters of all skill levels. Our staff here at headquarters and the National Shooting Complex are all very excited to provide over a week of fun and entertainment that you know and love about "Nationals"!

Again, this year we have a National Championship Event App that has everything you need to know about the event. We strongly urge you to download the app because all event notifications will be sent out from the app. Additionally, you will find the event map, schedule of activities, event program, important information, vendor information and more. Be sure to also follow the NSCA on Facebook and Instagram to see daily highlights, picture galleries, and live feeds, and be sure to tag us in your own posts!

New this year we have added a Pro Class for the Main event that separates the Pro Squad qualified shooters from the rest of Master class. Pro Class will have the same payouts and awards as Master class but will still be combined with Master for punches and recognition points. The Pro Squad will be broadcast live on Sunday so be sure to log in and watch all the excitement if you cannot be on the course with us!

Please take a moment during the event to join me in congratulating 2024 NSCA Hall of Fame shooter inductee Ashleigh Alexander and for the Hal duPont Service Award, Bruce Hering. We will host a meet and greet Saturday night, the 26th, at the museum where you can meet past inductees along with our new museum committee and hear about the future plans for the building and promoting the sport.

Last but surely not least, Kolar Arms will again continue the tradition of awarding a Championship Ring to not only the National Champion but the Sub-Gauge National Champion as well. We want to give a special thanks to Kolar for their generous donation to not only the National Championship but their continued support of shotgun sports around the country.

As you enjoy your time here, please remember that our sponsors and vendors are a critical part of the enjoyment of the National Championship and the NSCA. Our continued success is due in large part to their participation as well as all of yours. Please be sure to stop by and visit all our vendors during your stay in San Antonio; you might just find something you didn't know you need.

Thank You and Good Luck to everyone!

Only a citizen of the U.S. can be recognized as the National Champion or receive an award, money or optional purse in the Main Event. Non-citizens of the U.S. will shoot the Main Event at a reduced rate and be eligible only for international awards and monies as stated on page 54.

500 Registered Targets must be shot since October 1, 2023 or a shooter must shoot penalty class in all 12GA events. Penalty Class is one class above current classification.

RULES & REGULATIONS - All NSCA rules apply. NSCA FITASC rules apply in the 50-Target 20GA & 28GA and 100-Target FITASC Events, including those applying to age. American Field Sporting rules apply in the AFS event.

PROTESTS AND CORRECTIONS – Corrections to scores, event and concurrent entries and entry into Special Concurrents should be reported to Registration as soon as they are noticed. It is vitally important for shooters to check the scoreboard to make certain they have been entered in all events for which they are qualified as no additions or corrections to Concurrent and Special Concurrent entries will be made after 12 PM Saturday, October 26. Shooters are urged to check their scores each day as corrections to awards will not be made unless Registration is notified prior to shoot-offs beginning or, in the case of awards not involved in ties, before 8 PM Sunday, October 27.

Protests must be submitted, in writing, to Shoot Management by 6 PM (or 15 minutes after last shot fired) the day the event is shot. Exception: Shooters needing to file a protest on an occurrence that happened on the last flight of the day must immediately report to Shoot Management for instructions. All protests must be made in accordance with NSCA, FITASC, AFS rules and will be decided by the Protest Committee whose decision is final.

SHOOT-OFFS - All registered event shoot-offs will be held on Sunday. Shoot-off results take precedence over tiebreaker station results.

All ties in the NSCA Main Championship for Open Champion, Runner-Up and Third, Class First—Third and Concurrent Champion, Runner-Up and Third will be shot off Sunday evening at the conclusion of all events. These shoot-offs will determine both awards and guaranteed cash. Ties for other places will be decided by total score on predetermined tiebreaker stations.

GENERAL INFORMATION

In all other events, shoot-offs will be held only for Open Champion, Runner-Up and Third, Class First and Concurrent Champion. Ties for other places will be decided by total score on predetermined tie-breaker stations.

PAYMENT OF PURSES AND OPTIONS - All purse, option and other payments will be sent to shooters after the shoot. Checks for awards totaling \$600 or more will not be mailed until we have been provided with shooter's SSN.

RV SITES - Camper sites for this event are currently by waiting list only. To be placed on the waiting list, contact the NSC Pro-Shop at 210-688-3371 ext. 244. All campers must check in with the Pro-Shop upon arrival. Dry camping sites are available.

Purchases will be limited to the events an individual is registered for and practice. Prices and loads will be posted at the Ammo Building. Factory ammunition must be used for all events. **NO RELOADS WILL BE ALLOWED.** No 3" loads allowed. Maximum loads for any event (including games):

Gauge	Ounce Lead	Gauge	Ounce Lead
12	1 1/8	28	3/4
20	7/8	.410	1/2

All ammo sales are final; no returns. No shot sizes larger than 7.5 will be allowed in any event.

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - The National Shooting Complex (NSC) will utilize a weather monitoring and alert system to detect the presence and occurrence of lightning and other hazardous weather conditions. Shoot Management will be notified, through the alert system, of lightning and any other potential dangerous elements.

If lightning is detected within 6 miles of NSC, a cease-fire will be called immediately via PA system and any other means where PA is not available. Shooting will suspend for a period of no less than 20 minutes. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc. Shoot management will continue to monitor lightning strikes, via the alert system. The weather alert system will automatically track the time after each lightning strike and a new time clock will start after any strike within the 6 mile radius. After the duration of 20 minutes with no strikes within the 6 mile radius, shoot management will begin the process of returning participants to the field(s) to continue shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms / lightning strikes observed. In the event of any other dangerous elements of an approaching storm, such as extremely high winds/ tornado or

GENERAL INFORMATION

hail, the same cease-fire and field evacuation procedures as above will be implemented.

CLAYS CARS - Individually-owned clays cars, UTV's and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from www.mynasca.com. A \$15 trail fee is required for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, contact Lori Bauchman at lbauchman@nssa-nasca.com. Rental Golf Cart forms are available at deverinc.com or contact Dever at 859-455-9586 or by email at info@deverinc.com.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Bauchman at lbauchman@nssa-nasca.com or by US Mail to:

NSCA
Lori Bauchman
5931 Roft Rd
San Antonio, TX 78253

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance to Registration when you arrive and a permit will be produced and issued.

DRONES - *No one may fly a drone on the property without prior approval.*

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

SAFETY REQUIREMENTS - Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

OTHER INFORMATION - NSCA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

SCHOLARSHIP WINNERS

ANN WEATHERS BLANKENSHIP

Congratulations to Ann Weathers Blankenship of Sumter, South Carolina, on being selected a recipient of a \$5,000 NSCA scholarship, which she'll use for marketing studies at the College of Charleston. Her parents are Matt and Mandy Blankenship.

Ann's introduction to shotgunning was watching her brother shoot. She joined her school's shotgun team – and had to learn to load the shotgun – later joining a club team that competed in 4-H and SCTP events. She began shooting NSCA targets in 2019.

Ann also has an impressive resume of music ministry, school activities and local volunteerism. Her shooting resume is equally impressive, including SCTP Varsity Ladies National Champion, U.S. Open Sub-Junior Ladies Champion, and numerous podium finishes in NSCA and SCTP events.

"My parents have been my largest supporters," says Ann. "They have spent countless hours making connections and learning the best ways to support my brother, Matthew, and me. They have also encouraged other youth through youth shooting teams." She also credited Rich and Jona Cole of Cole Gunsmithing for their support, coaches Mike Luongo and Will Fennell, and other leaders in sporting clays who have influenced her

LANE PICKLO

Lane Picklo of Bellville, Texas, is the recipient of a \$5,000 scholarship from NSCA and will continue his education in flight school at LoneStar College, with plans to become a commercial pilot. His home club is Greater Houston Sports Club, but his sporting clays career is already taking him all over the country to clubs hosting some of the world's most prestigious events.

Lane has had numerous podium finishes at such consequential events as the National Championship, World Sporting Clays Championship, and Regional Championships. He is one of the elite shooters who qualified for the 2024 National Championship Pro Squad and will compete in that rotation at Nationals. He is a four-time Krieghoff All-American and USA Sporting Clays/FITASC Team alternate

The son of Kevin and Amanda Picklo, Lane started shooting shotguns with his dad, hunting doves, then progressed into sporting clays with SCTP and 4-H.

"From day one, I have been blessed with fantastic influences such as Adam Blair, Andy Duffy, Gebben Miles and Cory Kruse," said Lane. He also has several industry sponsors. "All these folks help me continue to compete at a high level." Congratulations, Lane!

SCHOLARSHIP WINNERS

KATELYN HENRY

Katelyn Henry, daughter of Shaun and Heather Henry of Camp Hill, Pennsylvania, is a recipient of a \$5,000 NSCA scholarship this year. She will study business at Messiah University. Congratulations, Katelyn!

After learning about the Central Penn Crushers SCTP team, Katelyn took up sporting clays six years ago. She combined shooting with another important aspect of her life – Girl Scouts – by starting a women’s sporting clays program, “Girls on Target,” to teach women firearm safety and shotgunning basics. In 2022, she received the Gold Award, the highest award for a Girl Scout. She has also tallied many hours volunteering for a variety of charities and causes and was a member of the National Honor Society.

Her many sporting clays achievements include SCTP and state Lady championships, as well as making her All-State and All-Region teams.

“I owe a huge thank you to my Mom and Dad for providing me with everything to be able to shoot and driving the family to tournaments, and to my sister for having to ride along,” said Katelyn. “I wouldn’t be able to achieve what I have without their support!”

GAGE PIPPIN

Congratulations to Gage Pippin of Sulphur, Louisiana, recipient of a \$5,000 NSCA scholarship which he will use as he studies biomedical engineering at Louisiana Tech. He is the son of Chris and Julie Pippin.

Like many others, he found the clay target sports five years ago thanks to 4-H, after participating in American Legion Youth competitions. He credits 4-H and American Legion as influencing his interest in joining NSCA. Gage has experienced success as a competitor, often earning podium finishes for open, class and concurrent. He has also appeared on the Krieghoff All-American Team.

“I’ve had the honor of working with extremely knowledgeable individuals, including Mark Chronister who introduced me to sporting clays,” said Gage. “As I progressed, Mark recommended professional coaches: Will Fennell, Andy Duffy and Brad Kidd Jr.” Those coaches helped him progress quickly through the classes.

“Thanks to NSCA and its members for supporting young adults with educational opportunities,” said Gage. “I look forward to continuing to foster the love of shooting sports for future generations. I am excited about a lifetime of building friendships and doing what I enjoy most -- breaking clays!”

BERETTA CHALLENGE SUPER SPORTING EVENT

A twist to an old favorite!

Very similar to the Golden Ticket we will be offering a Beretta Challenge Ticket on eight stations of the Beretta Challenge Super Sporting. Look for the Beretta Team Challenge Stations out on the course and battle with what they say are their most challenging targets. If you hit the specified single or pair at the station you will receive a ticket to be filled out and turned in at the Beretta Vendor Building, giving you eight chances to win. Drawings will be held daily starting Monday 10/21 through Sunday 10/27 at 9:30 am in the Beretta building. After the drawing tickets will be emptied out to start the next day's drawing fresh, but there's ONE MORE chance to win! On Sunday evening at the awards ceremony all of the week's tickets will be combined together for a Grand Prize drawing.

NATIONAL CHAMPIONSHIP RING

**NATIONAL SPORTING CLAYS
MAIN EVENT CHAMPION**

KOLAR RING PROGRAM

Kolar Arms proudly continues the long-standing tradition of honoring the NSCA National Championship ring program, which was initiated by Don Mainland in 1985 for the NSSA Skeet World Champion. Over the years, this tradition has grown to encompass the sporting clay community, with Jim Jamison being the first recipient in 1989. The Mainland family, including Don's son Jeff and grandson Sean, are honored to carry on this tradition by presenting the rings to future National Champions.

In 2010, Kolar introduced an additional ring to recognize the Sub Gauge HOA Champion. This ring features a distinct design that sets it apart from the National Main Event award. Scott Robertson became the first recipient of this special ring, marking the beginning of a new chapter in its history.

To celebrate the achievements of previous champions who secure victory for the second time, their current ring is adorned with exquisite diamonds on the bezel. A third championship earns them an additional diamond, placed at the center of the ring. And if a shooter achieves a fourth victory, they are awarded an extra ring, signifying their exceptional accomplishments.

These remarkable rings are made possible through the collaboration between Kolar and Jostens, who have worked together for many years to create these symbols of championship excellence. Sean Mainland expresses his pride in continuing the tradition of presenting these rings and supporting the growth of all shooting sports.

JIMMY REED MEMORIAL EVENT

Jimmy worked in the sporting clays industry for 25 years, dedicating his service not only to growing our sport but also being an ambassador for youth target shooting. He started his career at the National Shooting Complex, traveled around the country to different clubs, then finally ended his career working at Birds Landing Hunting Preserve & Sporting Clays in California.

Every year one of the courses in the main event at Nationals will be selected, and the high score of that course will be awarded the Jimmy Reed Memorial Trophy. A perpetual trophy will be housed in the Hall of Fame Museum displaying the name of each year's winner.

NATIONAL CHAMPIONSHIP CONTINGENCY PLAN

DETERMINING A NATIONAL CHAMPION

If the Main Event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the National champion, runner-up, and third place as well as first, second and third places in all Classes and Concurrents.

1. The total scores shot from all competitors plus the addition of 75 targets for any courses not shot will be the raw score to determine the champion, runner-up, and third place for the championship as well as first, second and third places in all Classes and Concurrents. No champion will be named unless all competitors have shot at least 150 targets.
2. Wednesday can be used to make up any day lost on either of the two day rotations, however if for any reason any rotation cannot be completed for any day, then that entire rotation will be counted as 75 targets for each competitor on each rotation. If this is to happen on one of the two day rotations, then the corresponding rotation(s) for the 4-day rotation will also be counted as 75 targets to each competitor. If one of the rotations on the 4-day cannot be completed for any reason, then the corresponding rotation on the 2-day rotations will be counted as 75 targets.
3. Ties will be shot-off or broken as if no uncontrollable occurrence has happened.
4. The shoot-off for National champion, runner-up and third place will be held, weather permitting, on Sunday of the National Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST.
5. The shoot-off for first, second and third place in all Classes and Concurrents will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
6. If these above mentioned shoot-offs cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner-up, and third place as well as first, second, and third places for all Classes and Concurrents shall be decided by scores on (2) two pre-determined tie-breaker stations on a course(s) that all competitors who are tied have completed. 7. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
8. The shoot-off rotation will be determined by a lottery draw completed inside registration.
9. The National Champion will be the individual with the highest score.

2. The shoot-off(s) for event champion, runner-up and third place as well as Class and Concurrent Champion in each event will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
