LADIES & GENTLEMEN,

On behalf of the NSCA Executive Council and our headquarters staff, it is my pleasure to welcome all competitors, sponsors, vendors, families, and friends to the 2025 National Sporting Clays Championship!

As the largest sporting clays event in the world, "Nationals" is a celebration of our sport and its community. We take pride in creating a championship experience that offers something for every shooter, whether you're competing at the highest level or enjoying the camaraderie and fun that make this event so special. Our team here at Headquarters and the National Shooting Complex are thrilled to host more than a week filled with competition, entertainment, and memories.

This year, don't forget to download the official NSCA Event App. It's your one-stop resource for everything you'll need on-site, including schedules, maps, programs, vendor listings, and important updates. All event notifications will be sent through the app, so it's the best way to stay connected. For highlights, photo galleries, live coverage, and Pro Squad updates, be sure to follow NSCA on Facebook and Instagram; and tag us in your posts to share your own Nationals experience!

We're also excited to say that there will be a Pro Class for all 100-bird 12-gauge events. Pro Squad-qualified shooters will now compete separately from Master Class, but the payouts and awards will be the same as those for Master. Pro Class results will still combine with Master for punches and recognition points. Keep an eye on our social channels for special coverage of the Pro Squad throughout the week.

Please also join me in recognizing our 2025 NSCA Hall of Fame inductee, Desirae Edmunds, as well as the recipient of the Hal duPont Service Award, Brett Siebert, and Meritorious Advancement Award recipients, Larry and Brenda Potterfield. Their achievements and contributions to our sport deserve our warmest congratulations.

And once again, thanks to the generous support of Kolar Arms, both our National Champion and Sub-Gauge National Champion will receive a Championship Ring, a tradition that adds prestige and excitement to this event. We are deeply grateful to Kolar for their continued commitment to shotgun sports nationwide.

Finally, as you enjoy your time in San Antonio, please take a moment to thank and visit our sponsors and vendors. Their partnership is vital to the success of Nationals, and we couldn't do it without them. You may even discover something new you didn't know you needed!

Thank you for being part of this year's National Sporting Clays Championship. Best of luck to all competitors, we can't wait to see the great shooting and camaraderie that make this event unforgettable.

Good luck and enjoy Nationals 2025!

PRACTICE FIELDS - The sporting clays practice course will be open Thursday, 10/16 – Sunday, 10/26 7 AM - 6 PM.

AMMUNITION - All major brands of factory ammunition will be available in the Ammo Building to National Shoot participants who wish to purchase ammunition at the shoot. Prices and loads will be posted at the Ammo Building. Factory ammunition must be used for all events. **NO RELOADS WILL BE ALLOWED.** No 3" loads allowed. Maximum loads for any event (including games):

Gauge	Ounce Lead	Gauge	Ounce Lead
12	1 1/8	28	3/4
20	7/8	.410	1/2

All ammo sales are final; no returns. No shot sizes larger than 7.5 will be allowed in any event.

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - The National Shooting Complex (NSC) will utilize a weather monitoring and alert system to detect the presence and occurrence of lightning and other hazardous weather conditions. Shoot Management will be notified, through the alert system, of lightning and any other potential dangerous elements.

If lightning is detected within 6 miles of NSC, a cease-fire will be called immediately via PA system and any other means where PA is not available. Shooting will suspend for a period of no less than 20 minutes. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc. Shoot management will continue to monitor lightning strikes, via the alert system. The weather alert system will automatically track the time after each lightning strike and a new time clock with start after any strike within the 6 mile radius. After the duration of 20 minutes with no strikes within the 6 mile radius, shoot management will begin the process of returning participants to the field(s) to continue shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

GENERAL INFORMATION

The above process will be repeated for any and all storms / lightning strikes observed. In the event of any other dangerous elements of an approaching storm, such as extremely high winds/ tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented.

CLAYS CARS - Individually-owned clays cars, UTV's and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from www.mynsca.com. A \$15 trail fee is required for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, contact Lori Bauchman at lbauchman@nssa-nsca.com. Rental Golf Cart forms are available at deverinc.com or contact Dever at 859-455-9586 or by email at info@deverinc.com.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Bauchman at lbauchman@nssa-nsca.com or by US Mail to:

NSCA
Lori Bauchman
5931 Roft Rd
San Antonio, TX 78253

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance to Registration when you arrive and a permit will be produced and issued.

LIABILITY FOR USE OF PERSONAL OR RENTED CARTS/UTVS - Any individual who operates a personally owned or rented cart or utility task vehicle (UTV) on the premises of the National Shooting Complex shall be solely and fully responsible for any and all damages to other carts, personal property, or property belonging to the National Shooting Complex, whether caused directly or indirectly by their actions. The National Shooting Complex shall bear no responsibility or liability whatsoever for any such damages caused by participants, spectators, or third parties. By entering the premises and operating such a vehicle, the operator expressly agrees to indemnify, defend, and hold harmless the National Shooting Complex from any claims, damages, losses, or expenses arising therefrom.

DRONES - *No one may fly a drone on the property without prior approval.*

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

SAFETY REQUIREMENTS - Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

OTHER INFORMATION - NSCA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

SCHOLARSHIP WINNERS

EDUARDO BARRERA JR.

Congratulations to \$5,000 NSCA scholarship recipient Eduardo Barrera Jr. of Seguin, Texas, a recent graduate of Seguin High School. The son of Eduardo and Sandra Barrera, Eduardo Jr. is pursuing studies in electrical engineering at Texas A&M University.

Eduardo has been shooting sporting clays for nine years, having been introduced to the sport through Texas 4-H. His first NSCA shoot was an event held alongside the Texas 4-H State Games. He has been well-known atop the podium at state and national 4-H and San Antonio Rodeo events for sporting clays, skeet and trap. He was the 2023 Pump Gun National Champion and was named to Krieghoff All-American Teams as a Junior and Sub-Junior.

In high school, Eduardo was in the National Honor Society, Phi Theta Kappa Honor Society, and music and mathematics organizations.

"I want to thank the people that helped me get where I am now: the late Joe Brophy, Brett Moyes, Cory Kruse, Dan Carlisle and Bexar Community Shooting Range," says Eduardo. "I want to continue becoming a better shot, not just in sporting clays, but in all disciplines like trap and skeet as well."

CONNOR DANIEL

Lane Picko of Bellville, Texas, is the recipient of a Connor Daniel, son of Marty and Cindy Daniel of Richmond Hill, Georgia, is a recipient of a \$5,000 NSCA scholarship. A graduate of Savannah Christian Preparatory School, Connor now attends Georgia Southern University where he is a member of the shooting team and studies manufacturing engineering and business.

Connor's accomplishments in sporting clays are already impressive. He recently won individual and team Junior World Championships at both the World English and World FITASC events. He's a U.S. Open and Regional FITASC Champion, Krieghoff All-American Team member, USA Sporting Clays/FITASC Team member and much more.

In 2020, Connor tried clay target shooting when his other sports were put on hold due to COVID. He was immediately hooked. "My first goal is to honor God in all I do and to represent myself and my sponsors with the utmost integrity," he says. "Secondly, I want to WIN! Ever since I started competing, I've wanted to win a World Championship with the USA Sporting Clays Team. And lastly, I hope to become a successful coach so I can pass down the life lessons this sport has taught me and share what my mentors, such as Zach Kienbaum, shared with me." Congratulations, Connor!

SCHOLARSHIP WINNERS

CHASE BUERGER

The famed Forest City Juniors SCTP shooting team produced one of NSCA's \$5,000 scholarship recipients this year, Chase Buerger of Savannah, Georgia. Congratulations, Chase!

A graduate of Savannah Country Day School, Chase is now studying mechanical engineering at Clemson University. His parents are Lawrence Buerger and Christina Buerger.

Chase started shooting seven years ago with his SCTP team and was part of an amazing six SCTP National Championship Teams. Among his NSCA awards are an A Class FITASC National Championship, Kriehoff Junior All-American 2nd Team and FITASC Junior All-American 2nd Team. He also shot for his high school's team and played varsity soccer for four years. He was an inductee of the National Honor Society as well.

Acknowledging the people who helped him achieve so much as a shooter, Chase said, "I would like to give a huge thank you to my coaches at Forest City Gun Club – Tim Short, who has spent countless hours with me on the skeet field; Zach Kienbaum, who has been instrumental to my sporting clays development; and Zac Guerretaz, who has always believed in me on the Forest City Juniors."

KAYLA WILGUS

Watching her father compete as one of sporting clays' top shooters inspired Kayla Wilgus of Bellevue, Washington, to become a shooter herself 10 years ago. Now, she has been named a recipient of a \$5,000 NSCA scholarship. Congratulations, Kayla!

Having graduated from Bellevue Christian School, Kayla attends Texas A&M at Corpus Christi with plans to transfer to Texas A&M in College Station next year. Her parents are Mike and Julie Wilgus. In addition to a demanding travel schedule for sporting clays events, she was a varsity basketball player at her high school and competed on a Nike travel basketball team. She was also a volunteer coach for youth basketball camps and assisted with teaching for youth and adult events at her gun clubs.

Among her sporting clays achievements are placing third in Ladies HOA at the 2023 World English Championship in England, winning Lady Sub-Junior Champion at Nationals, and numerous placements in regional competitions.

"I am hoping to grow in these next years in college," said Kayla. "I would not have been able to accomplish any of these things without my parents, Grandma Barb, friends and God."

Very similar to the Golden Ticket we will be offering a Beretta Challenge Ticket on eight stations of the Beretta Challenge Super Sporting. Look for the Beretta Team Challenge Stations out on the course and battle with what they say are their most challenging targets. If you hit the specified single or pair at the station you will receive a ticket to be filled out and turned in at the Beretta Vendor Building, giving you eight chances to win. Drawings will be held daily starting Monday 10/20 through Sunday 10/26 at 9:30 am in the Beretta building. After the drawing tickets will be emptied out to start the next day's drawing fresh, but there's ONE MORE chance to win! On Sunday evening at the awards ceremony all of the week's tickets will be combined together for a Grand Prize drawing.

NATIONAL CHAMPIONSHIP RING

Donated by

for presentation to:

**NATIONAL SPORTING CLAYS
MAIN EVENT CHAMPION**

KOLAR RING PROGRAM

Kolar Arms proudly continues the long-standing tradition of honoring the NSCA National Championship ring program, which was initiated by Don Mainland in 1985 for the NSSA Skeet World Champion. Over the years, this tradition has grown to encompass the sporting clay community, with Jim Jamison being the first recipient in 1989. The Mainland family, including Don's son Jeff and grandson Sean, are honored to carry on this tradition by presenting the rings to future National Champions.

In 2010, Kolar introduced an additional ring to recognize the Sub Gauge HOA Champion. This ring features a distinct design that sets it apart from the National Main Event award. Scott Robertson became the first recipient of this special ring, marking the beginning of a new chapter in its history.

To celebrate the achievements of previous champions who secure victory for the second time, their current ring is adorned with exquisite diamonds on the bezel. A third championship earns them an additional diamond, placed at the center of the ring. And if a shooter achieves a fourth victory, they are awarded an extra ring, signifying their exceptional accomplishments.

These remarkable rings are made possible through the collaboration between Kolar and Jostens, who have worked together for many years to create these symbols of championship excellence. Sean Mainland expresses his pride in continuing the tradition of presenting these rings and supporting the growth of all shooting sports.

The **2025 National Sporting Clays Championship** will again feature The Pro Squads that will increase excitement for the sport's largest event of the year.

With the Qualified **Pro Squad Rotation** format, shooters meeting strict criteria for qualification will be assigned to the same rotation and same course.

On the **final day (Sunday)**, all **Pro Squad** shooters will be re-squadded from lowest to highest, with the top 20 shooters from The Pro Squads re-squadded into four 5-man Pro Squads. We will have live stream social media events throughout the event and invite everyone to follow along on the course as the **2025 National Champion** is determined!

JIMMY REED MEMORIAL EVENT

Jimmy worked in the sporting clays industry for 25 years, dedicating his service not only to growing our sport but also being an ambassador for youth target shooting. He started his career at the National Shooting Complex, traveled around the country to different clubs, then finally ended his career working at Birds Landing Hunting Preserve & Sporting Clays in California.

Every year one of the courses in the main event at Nationals will be selected, and the high score of that course will be awarded the Jimmy Reed Memorial Trophy. A perpetual trophy will be housed in the Hall of Fame Museum displaying the name of each year's winner.

NATIONAL CHAMPIONSHIP CONTINGENCY PLAN

DETERMINING A NATIONAL CHAMPION

If the Main Event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the National champion, runner-up, and third place as well as first, second and third places in all Classes and Concurrents.

1. The total scores shot from all competitors plus the addition of 75 targets for any courses not shot will be the raw score to determine the champion, runner-up, and third place for the championship as well as first, second and third places in all Classes and Concurrents. No champion will be named unless all competitors have shot at least 150 targets.
2. Wednesday can be used to make up any day lost on either of the two day rotations, however if for any reason any rotation cannot be completed for any day, then that entire rotation will be counted as 75 targets for each competitor on each rotation. If this is to happen on one of the two day rotations, then the corresponding rotation(s) for the 4-day rotation will also be counted as 75 targets to each competitor. If one of the rotations on the 4-day cannot be completed for any reason, then the corresponding rotation on the 2-day rotations will be counted as 75 targets.
3. Ties will be shot-off or broken as if no uncontrollable occurrence has happened.
4. The shoot-off for National champion, runner-up and third place will be held, weather permitting, on Sunday of the National Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST.
5. The shoot-off for first, second and third place in all Classes and Concurrents will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
6. If these above mentioned shoot-offs cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner-up, and third place as well as first, second, and third places for all Classes and Concurrents shall be decided by scores on (2) two pre-determined tie-breaker stations on a course(s) that all competitors who are tied have completed. Assuming competitors have completed the course, the pre-determined tie-breaker stations will be used from courses in the following order: Red, Yellow, Green, Orange. If there is still a tie after comparing scores on all possible tie-breaker stations the Class and Concurrent Champion, Runner-Up, and Third place will be determined by the longest run from the front on courses they have all completed following the order listed above.
7. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
8. The shoot-off rotation will be determined by a lottery draw completed inside registration.
9. The National Champion will be the individual with the highest score.

NATIONAL CHAMPIONSHIP CONTINGENCY PLAN

KRIEGHOFF-KUP, 5-STAND, SUPER SPORTING, SMALL GAUGE, FITASC, AND AMERICAN FIELD SPORTING

If the Krieghoff-Kup, 5-Stand, Super Sporting, Small Gauge, FITASC or American Field Sporting events of the National Championship are shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the open champion, runner-up, and third place as well as Class and Concurrent Champions from shooters who have completed the events.

1. All awards will be based on scores of competitors who complete the event. If no shooters complete the event, no awards or punches will be provided.
2. The shoot-off(s) for event champion, runner-up and third place as well as Class and Concurrent Champion in each applicable event will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
3. If the above mentioned shoot-off(s) cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the Krieghoff-Kup, 5-Stand, Super Sporting, Small Gauge, and FITASC event's open champion, runner-up, and third place as well as Class and Concurrent Champions shall be decided by scores on (3) three rank-ordered, pre-determined tie-breaker stations. If there is still a tie after comparing scores on all possible tie-breaker stations the open champion, runner-up, third place and Class and Concurrent Champions will be determined by the longest run from the front of the event.
4. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
5. The shoot-off rotation will be determined by a lottery draw completed inside registration.

The image features a close-up of a Kolar rifle, showing the ornate silver-colored receiver with intricate scrollwork and a central crest. The rifle is positioned vertically on the right side of the frame. In the background, an American flag is draped diagonally, with the blue field of stars visible in the upper left and the red and white stripes extending towards the bottom left. The overall composition is set against a dark, solid background.
