

THE
MEADOWS
SPORTING CLAYS

Executive Council:

Please allow me to thank you for taking the time to read this proposal.

For more than 36 years, The Meadows has been committed to providing an exceptional sporting clays experience built on quality targets, genuine Southern hospitality, and a passion for the sport. Since hosting the 1998 U.S. Open, our mission has remained the same: to create an event that shooters look forward to and remember long after the final station.

Our current ownership and management team has invested significantly in improving the facility while preserving the traditions that have made The Meadows a premier shooting destination. We are dedicated not only to maintaining a world-class venue but to ensuring it continues to serve the sporting clays community for generations to come.

If selected to host the 2028 U.S. Open, our goal is to deliver more than a championship. From thoughtfully designed targets and efficient event operations to memorable hospitality experiences for competitors, families, sponsors, and vendors, every aspect of the event will reflect our commitment to excellence. With convenient access to the world's busiest airport, abundant accommodations, and a passionate team dedicated to serving the shooting community, The Meadows is uniquely positioned to host a national event.

We appreciate your time and consideration in reviewing our proposal.

Julian Reid Maddux II

WHAT OTHER FACTORS OR CONSIDERATIONS DO WE NEED TO KNOW ABOUT YOUR RANGE?

Deck and Cliff Evans opened The Meadows over 36 years ago as a sporting clays facility focused on providing a quality shooting experience with southern hospitality. Hosting the 1998 US Open and the Triple Classic were highlights the Evans brothers will always be proud of.

The current management group, including Deck and Cliff Evans, is committed to making sure that, if given the opportunity, all shooters at the 2028 US Open would feel that same southern hospitality. Plans would include an offsite dinner for sponsors and vendors on Thursday night, a cocktail party Friday night, and a dinner for everyone on Saturday night.

There have been many improvements over the past year, with many more in the pipeline. We feel The Meadows would be a great fit for a US Open — being just 60 miles from the world's busiest airport would allow for easy travel for competitors and families coming from all over the world, and unlimited hotel and restaurant options would fit the wants of any person traveling in for the event.

The current management group got involved with The Meadows out of a passion for the sport and a desire to give back to a sport we all enjoy, ensuring the facility has the resources it needs to remain a world-class shooting facility for generations to come.
