WHAT OTHER FACTORS OR CONSIDERATIONS DO WE NEED TO KNOW ABOUT YOUR RANGE?

Old Hudson Plantation is privately owned, 1700+ acre shooting facility with the land, infrastructure, and operational flexibility necessary to host an event of FITASC World Sporting Championship caliber. The property has been continually expanded and improved with championship-level presentations and large-scale event logistics in mind.

The range has a proven track record of successfully hosting major NSCA and FITASC events, including Georgia State Championship, Southeast Regional Championship, American Grand Prix, US Grand Prix, Beretta Classic, numerous SCTP and GIAA youth events. Our management team and volunteer base have extensive experience operating tournaments with hundreds of competitors while maintaining a high standard of target presentation and customer service.

Old Hudson Plantation offers multiple permanent sporting clays courses, dedicated FITASC layouts, 5-Stand facilities, skeet & trap fields, spacious parking, vendor areas, and ample room for expansion and temporary championship infrastructure. The property's size allows for the creation of distinct competition venues while minimizing interference between events and spectators

Located in central Georgia, the facility is easily accessible from several major airports and interstate highways. The surrounding Lake Oconee, Greensboro and Milledgeville areas provide a wide selection of hotels, rental homes, restaurants, and recreational opportunities for competitors and their families.

One of our greatest strengths is our ability to adapt. Because the property is privately owned, course layouts, traffic flow, parking, camping, vendor row, and event infrastructure can be customized specifically to the needs of the FITASC World Sporting Championship. Our goal is not simply to host a world championship, but to create an experience that competitors, sponsors, and spectators will remember as one of the premier sporting clays events in the world
