LADIES & GENTLEMEN,

Welcome to the 2026 National Sporting Clays Championship!

On behalf of the NSCA Executive Council and headquarters staff, it is my pleasure to welcome competitors, sponsors, vendors, families, and friends to the 2026 National Sporting Clays Championship.

The National Sporting Clays Championship continues to grow and has become one of the most sought-after events in the shooting sports industry. Demand for many of our premier events has reached record levels, and this year we've expanded the schedule and added days to some of our most popular competitions to accommodate the incredible interest from shooters across the country and around the world.

As the largest sporting clays event in the world, Nationals is more than a championship. It is a celebration of our sport, our traditions, and the friendships that make this community special. Whether you're competing for a title or attending your first Nationals, we're excited to have you here for another unforgettable week.

While you're on the grounds, I encourage you to visit the newly remodeled and expanded Hal duPont Museum and Hall of Fame. The transformation has created an impressive showcase of our sport's history, legendary competitors, and defining moments. It's an exciting new attraction and a must-see destination during your time at Nationals.

We are also pleased to announce that the National Delegate Meeting will be held in the new Robert T. Hayes Conference Center, formerly the temporary Bexar County Fire Station. This outstanding facility is the result of Mr. Hayes' vision and generosity, and we are grateful for his support in bringing this project to fruition for the benefit of NSCA members and shooters for years to come.

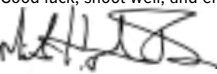

Be sure to download the official NSCA Event App for schedules, maps, vendor information, scores, and important event updates. For highlights, photo galleries, live coverage, and Pro Squad updates, follow NSCA on Facebook and Instagram and share your Nationals experience with us online.

Please join me in congratulating our Hall of Fame inductees Mike Wilgus and the Hal duPont Service Award recipient Dee Orr. Their contributions have helped shape and strengthen our sport.

Thanks to the continued support of Kolar Arms, both our National Champion and Sub-Gauge National Champion will once again receive Championship Rings. We sincerely appreciate Kolar's commitment to supporting shotgun sports nationwide.

Finally, please take time to visit our sponsors and vendors. Their partnership is essential to the success of Nationals, and they bring some of the finest products and services in the industry together in one place. Thank you for being part of the 2026 National Sporting Clays Championship. We look forward to a great week of competition, camaraderie, and memories.

Good luck, shoot well, and enjoy Nationals 2026!

Unless annotated on the page listing the individual events, all events will award in:

100-Bird 12 Gauge Events Class: Pro - Master - AA - A - B - C - D

50-Bird 12 Gauge Events & All Sub-Gauge Events Class: Master - AA - A - B - C - D

Concurrent: Lady - Sub-Junior - Junior - Veteran - Super Veteran - Senior Super Veteran - Legacy

PRACTICE FIELDS - The sporting clays practice course will be open Thursday, 10/15 - Sunday, 10/25 7 AM - 6 PM.

AMMUNITION - All major brands of factory ammunition will be available in the Ammo Building to National Shoot participants who wish to purchase ammunition at the shoot. Prices and loads will be posted at the Ammo Building. Factory ammunition must be used for all events. **NO RELOADS WILL BE ALLOWED.** No 3" loads allowed. Maximum loads for any event (including games):

Gauge	Ounce Lead	Gauge	Ounce Lead
12	1 1/8	28	3/4
20	7/8	.410	1/2

All ammo sales are final; no returns. No shot sizes larger than 7.5 will be allowed in any event.

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - The National Shooting Complex (NSC) will utilize a weather monitoring and alert system to detect the presence and occurrence of lightning and other hazardous weather conditions. Shoot Management will be notified, through the alert system, of lightning and any other potential dangerous elements.

If lightning is detected within 6 miles of NSC, a cease-fire will be called immediately via PA system and any other means where PA is not available. Shooting will suspend for a period of no less than 20 minutes. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc. Shoot management will continue to monitor lightning strikes, via the alert system. The weather alert system will automatically track the time after each lightning strike and a new time clock with start after any strike within the 6 mile radius. After the duration of 20 minutes with no strikes within the 6 mile radius, shoot management will begin the process of returning participants to the field(s) to continue shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms / lightning strikes observed. In the event of any other dangerous elements of an approaching storm, such as extremely high winds/ tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented.

GENERAL INFORMATION

CLAYS CARS - Individually-owned clays cars, UTV's and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from www.mynsca.com. A \$15 trail fee is required for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, contact Stephanie Haga at shaga@nssa-nsca.com. Rental Golf Cart forms are available at deverinc.com or contact Dever at 859-455-9586 or by email at info@deverinc.com.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Stephanie Haga at shaga@nssa-nsca.com or by US Mail to:

NSCA
Stephanie Haga
5931 Roft Rd
San Antonio, TX 78253

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance to Registration when you arrive and a permit will be produced and issued.

LIABILITY FOR USE OF PERSONAL OR RENTED CARTS/UTVS - Any individual who operates a personally owned or rented cart or utility task vehicle (UTV) on the premises of the National Shooting Complex shall be solely and fully responsible for any and all damages to other carts, personal property, or property belonging to the National Shooting Complex, whether caused directly or indirectly by their actions. The National Shooting Complex shall bear no responsibility or liability whatsoever for any such damages caused by participants, spectators, or third parties. By entering the premises and operating such a vehicle, the operator expressly agrees to indemnify, defend, and hold harmless the National Shooting Complex from any claims, damages, losses, or expenses arising therefrom.

DRONES - *No one may fly a drone on the property without prior approval.*

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

SAFETY REQUIREMENTS - Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

UNSPORTSMANLIKE CONDUCT - Any shooter exhibiting unsportsmanlike conduct of any kind will be subject to disqualification. Forms of unsportsmanlike conduct include, but are not limited to; falsifying scores, badgering the referees, calling chips for yourself, begging for targets, and verbal or physical abuse of any shooter, scorer, field judge, shoot official or protest committee.

PHOTOGRAPHY POLICY - The National Sporting Clays Association and National Shooting Complex welcome you to the National Sporting Clays Championship! This promises to be an event to remember, and much of it will be memorialized in photos and video. Because there will be photographers, videographers, social media content producers, and other members of the media at the event, we have press policies to ensure that nothing interferes with what you're here for – enjoying shooting and competing at your highest possible level. Here are a few things you should know about our expectations for the media:

- Members of the press are being asked to agree to policies that set out our expectations. They are reminded that this event is first and foremost a championship event that exists for the benefit of its participants. They are not allowed to interfere with your shooting or the event itself.
- For interviews, staged photography, or other contact with participants, members of the press are not to approach you while you are actively participating in a shooting event. Instead, they are expected to wait to approach you after you have completed the rotation or event you are competing in.
- Photographers must remain safely behind the line of the shooter and out of the shooter's field of view at all times.
- Shooters have a right to complain about any member of the press interfering with your shooting.

GENERAL INFORMATION

If this occurs, first call it to the attention of the trapper/referee for an immediate remedy, then contact Sherry Kerr, Director of Communications, 205-966-0232 (text or call), skerr@nssa-nsca.com.

- The NSCA and its official publication, Clay Target Nation, will have photographers and videographers on the property during the event. Because they are managing official photography for member publication coverage, publicity, streaming/posting to members, association archives, and other purposes, they will be given priority in covering shoot-offs, and awards presentations. Other photographers, families, and fans will have an opportunity to shoot photos, but it may not interfere with NSCA's official photography/videography.
- Unless you explicitly request otherwise, your photo may be taken at the event and potentially used in press coverage or for NSCA's marketing purposes. Unless you have an existing relationship (i.e., sponsorship or Pro Team) with a manufacturer or other company, we will not make your photos available for any commercial use without your express permission. To request not to be photographed or to appear in press coverage of the event, contact Sherry Kerr, 205-966-0232, skerr@nssa-nsca.com. Participants may not opt out of awards photos except by not posing for photos on the podium.

OTHER INFORMATION - NSCA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

SCHOLARSHIP WINNERS

MORGAN HILLIARD

When Morgan Hilliard first tried breaking targets from a small foot-pedal trap machine at a friend's house, she discovered a passion that would shape her future. Eight years later, the Westport, Tennessee, shooter has built an impressive competitive resume and earned an NSCA \$5,000 scholarship.

The daughter of Terry and Wendy Hilliard, Morgan graduated from Home Life Academy and will attend Bethel University.

Among her accomplishments are the 2024 National Sporting Clays Championship Lady Sub-Junior title, Lady Sub-Junior championship in M/AA 5-Stand, multiple Tennessee State Lady Championships and a spot on the 2026 B&P 12-Gauge FITASC Lady All-American Team. In SCTP competition, she was HOA Varsity Lady Champion at the 2024 SCTP National Championship and captured multiple Tennessee state titles.

Away from competition, Morgan has helped others through Shooting Hunger, a charitable program that provides meals for children across Tennessee.

Morgan credits her parents with making every opportunity possible, traveling countless miles so she could pursue her goals and compete at the highest level. Looking ahead, she hopes to add a Ladies title at a Regional, U.S. Open or National Championship to her growing list of accomplishments.

Congratulations, Morgan, on being selected as a 2026 NSCA scholarship recipient!

JACOB JUDSON

By the time Jacob Judson entered his first NSCA tournament in 2022, he had already discovered a love for the shotgun sports through Georgia 4-H and SCTP. He has made a rapid climb through the ranks, advancing to Master Class in just over a year, establishing himself as a top Junior competitor.

The Appling, Georgia, shooter is now among the recipients of a \$5,000 NSCA scholarship. A graduate with honors from Harlem High School, Jacob will attend Emmanuel University to study business administration.

Jacob captured the 2024 National Sub-Junior Championship, was 2025 Kriehoff Sub-Junior All-American Team captain and has earned seven All-American Team selections. His shooting career has also taken him to the World Sporting Championship in England and the World FITASC Championship in Cyprus.

Outside the shooting sports, Jacob participated in football, National Honor Society, Beta Club and his church youth group.

"My parents have given me the opportunity to travel to every shoot and supported me every step of the way," Jacob says, while also crediting coaches John Higgins, Brandon Powell, Zach Kienbaum and Mike Luongo for helping him develop his game.

Congratulations, Jacob, on earning a 2026 NSCA scholarship

SCHOLARSHIP WINNERS

DARREN SEIBERT

Winning at your first National Sporting Clays Championship is an accomplishment few competitors can claim. Darren Seibert did exactly that, capturing the First-Time Attendee title during his first appearance at Nationals. Now, Darren has been selected as a recipient of a 2026 NSCA scholarship.

A native of Dunkirk, Maryland, Darren graduated from Indian Creek School in Crownsville and plans to attend Lindenwood University to study business. The son of Jennifer and James Seibert, he began shooting sporting clays in 2021 after his father introduced him to the sport. Since then, he has earned Junior All-American honors while steadily building an impressive competitive resume.

Outside the shooting sports, Darren participated in a STEM program and served on an AI policy board while volunteering at Jug Bay Wetlands Sanctuary. He was also an Honor Roll student.

Darren credits the people around him for helping him reach this point. He says his parents, his godfather and coach Anthony Matarese have all played important roles in his development, providing encouragement and guidance throughout his shooting journey.

As he begins the next chapter at Lindenwood, Darren hopes to continue growing both as a student and competitor. Congratulations to Darren on earning a \$5,000 NSCA scholarship!

COLLIN SIMS

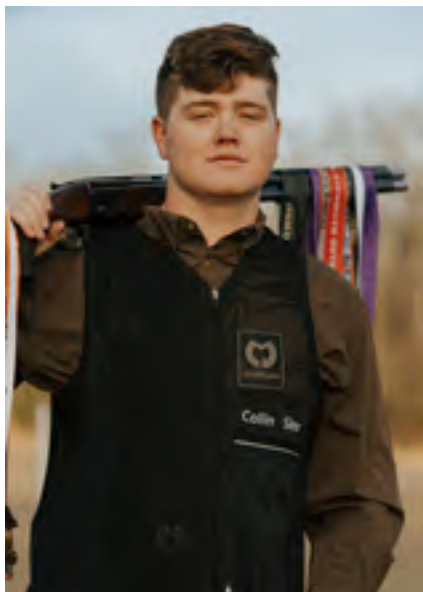

Some shooters spend years discovering where they belong in the clay target sports. For Collin Sims of West Monroe, Louisiana, the answer came quickly. After joining 4-H because his stepfather recognized his natural ability while duck hunting, he sampled several shotgun disciplines before finding his passion in sporting clays.

Congratulations to Collin on being named a recipient of a \$5,000 scholarship from NSCA!

A graduate of Ouachita High School, Collin plans to study agriculture at Schreiner University while continuing to compete. The son of Chris and Megan Hilburn and Levi Sims, he has already earned recognition as a Louisiana All-State Sub-Junior, South Central All-Region Junior, and All-American Teams in multiple gauges.

Away from the course, Collin was a member of his school's junior varsity and varsity basketball teams, balancing athletics with a demanding shooting schedule.

Collin credits coach Reggie Quillin, whose countless hours of instruction helped build the strong fundamentals that serve him today. He is equally grateful to his stepfather and mom for traveling around the country to support his dreams. Looking ahead, Collin hopes to earn a place on the USA Sporting Clays Team and help Schreiner University capture a Collegiate National Championship.

MEC GOLDEN TARGET EVENT

**Saturday, October 17 -
Sunday, October 25**

Sponsored By:

Every day we will hide at least one Golden Target on the grounds of the National Shooting Complex and send the clues out via the event app push notifications. The person who finds the MEC Golden Target first and brings it in will win one of many great prizes including a MEC Clay Target Machine, MEC Reloaders, silver bars, and more! Don't forget to download the **NSCA Events App** for the Golden Target clues and updates. Be sure to allow push notifications so you don't miss out!

(The Golden Target will not be hidden within live fire areas of the courses or in the area of our maintenance shops. While playing please remember **SAFETY FIRST!**)

The general shoot updates and Golden Target messages will be on the NSCA Events App see [page 55](#) for details.

ELITE GOLDEN TICKET

Again this year is the "Golden Ticket" (not to be confused with the Golden Target) – Located on each course of the Main Event is a station where you shoot just a single target, if you hit that target you will be given a Golden Ticket by the trapper. When you are done shooting you will take that ticket and drop it in the bucket located in the Elite Shotguns building on Vendor's Row to be eligible for great prizes. Everyone who is shooting the Main Event will have 4 chances to receive a Golden Ticket!

NATIONAL CHAMPIONSHIP RING

Donated by

**NATIONAL SPORTING CLAYS
MAIN EVENT CHAMPION**

KOLAR RING PROGRAM

Kolar Arms proudly continues the long-standing tradition of honoring the NSCA National Championship ring program, which was initiated by Don Mainland in 1985 for the NSSA Skeet World Champion. Over the years, this tradition has grown to encompass the sporting clay community, with Jim Jamison being the first recipient in 1989. The Mainland family, including Don's son Jeff and grandson Sean, are honored to carry on this tradition by presenting the rings to future National Champions.

In 2010, Kolar introduced an additional ring to recognize the Sub Gauge HOA Champion. This ring features a distinct design that sets it apart from the National Main Event award. Scott Robertson became the first recipient of this special ring, marking the beginning of a new chapter in its history.

To celebrate the achievements of previous champions who secure victory for the second time, their current ring is adorned with exquisite diamonds on the bezel. A third championship earns them an additional diamond, placed at the center of the ring. And if a shooter achieves a fourth victory, they are awarded an extra ring, signifying their exceptional accomplishments.

These remarkable rings are made possible through the collaboration between Kolar and Jostens, who have worked together for many years to create these symbols of championship excellence. Sean Mainland expresses his pride in continuing the tradition of presenting these rings and supporting the growth of all shooting sports.

Starting for the 2026 team, the NSCA Executive Council has approved a change to the Krieghoff All-American Team policy: if a shooter qualifies for more than one team, they will retain their place on each team they earn. For example, if a shooter qualifies for both the Open Team and the Lady Team, they will remain on both.

Congratulations to all 2026 Krieghoff All-Americans!
**Special thanks to Krieghoff International for supporting the NSCA All-American program.*

SPORT SKEET – EVENT DETAILS & FAQs

What is Sport Skeet?

Sport Skeet is an exciting, fast-paced variation of the traditional Skeet event that blends the familiar format of Skeet with the rules of Sporting Clays. It's a fun and challenging event designed for all skill levels.

When is the event held?

This event will take place daily from Thursday, October 22 - Saturday, October 24, totaling 3 separate events. Winners will be determined daily, so participants have multiple chances to win! Overall HOA will be highest score out of all three days.

What is the cost to participate?

Entry is \$50 per event for a total of 50 Targets.

How will the event be scored and awarded?

Each day, all shooters' scores will be grouped into Lewis Classes based on total participation.

- 1–20 participants: 2 Lewis Classes
- 21+ participants: 3 Lewis Classes

Scores will be sorted, and winners will be determined within each Lewis class. 3 places per Lewis class will be awarded. Overall HOA will be highest score out of all three days.

Targets only no punches or points awarded.

Will there be referees?

Yes. There will be a referee on each field. Additionally, an information sheet with details about the event and rules will be available in the Pro-Shop, and signs will be posted on the field to guide you through each station.

What prizes are offered?

National Shooting Complex giftcards for targets, ammo, general store, or entry fees for future NSC events. Prizes will be limited to one person in each class per day. Ties will be broken by Shoot Administration using standard methods (long-run, coin flip, etc.).

NATIONAL CHAMPIONSHIP CONTINGENCY PLAN

DETERMINING A NATIONAL CHAMPION

If the Main Event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the National champion, runner-up, and third place as well as first, second and third places in all Classes and Concurrents.

1. The total scores shot from all competitors plus the addition of 75 targets for any courses not shot will be the raw score to determine the champion, runner-up, and third place for the championship as well as first, second and third places in all Classes and Concurrents. No champion will be named unless all competitors have shot at least 150 targets.
2. Wednesday can be used to make up any day lost on either of the two day rotations, however if for any reason any rotation cannot be completed for any day, then that entire rotation will be counted as 75 targets for each competitor on each rotation. If this is to happen on one of the two day rotations, then the corresponding rotation(s) for the 4-day rotation will also be counted as 75 targets to each competitor. If one of the rotations on the 4-day cannot be completed for any reason, then the corresponding rotation on the 2-day rotations will be counted as 75 targets.
3. Ties will be shot-off or broken as if no uncontrollable occurrence has happened.
4. The shoot-off for National champion, runner-up and third place will be held, weather permitting, on Sunday of the National Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST.
5. The shoot-off for first, second and third place in all Classes and Concurrents will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
6. If these above mentioned shoot-offs cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner-up, and third place as well as first, second, and third places for all Classes and Concurrents shall be decided by scores on (2) two pre-determined tie-breaker stations on a course(s) that all competitors who are tied have completed. Assuming competitors have completed the course, the pre-determined tie-breaker stations will be used from courses in the following order: Red, Yellow, Green, Orange. If there is still a tie after comparing scores on all possible tie-breaker stations the Class and Concurrent Champion, Runner-Up, and Third place will be determined by the longest run from the front on courses they have all completed following the order listed above.
7. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
8. The shoot-off rotation will be determined by a lottery draw completed inside registration.
9. The National Champion will be the individual with the highest score.

NATIONAL CHAMPIONSHIP CONTINGENCY PLAN

KRIEGHOFF-KUP, 5-STAND, SUPER SPORTING, SMALL GAUGE, FITASC, AND AMERICAN FIELD SPORTING

If the Krieghoff-Kup, 5-Stand, Super Sporting, Small Gauge, FITASC or American Field Sporting events of the National Championship are shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the open champion, runner-up, and third place as well as Class and Concurrent Champions from shooters who have completed the events.

1. All awards will be based on scores of competitors who complete the event. If no shooters complete the event, no awards or punches will be provided.
2. The shoot-off(s) for event champion, runner-up and third place as well as Class and Concurrent Champion in each applicable event will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
3. If the above mentioned shoot-off(s) cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the Krieghoff-Kup, 5-Stand, Super Sporting, Small Gauge, and FITASC event's open champion, runner-up, and third place as well as Class and Concurrent Champions shall be decided by scores on (3) three rank-ordered, pre-determined tie-breaker stations. If there is still a tie after comparing scores on all possible tie-breaker stations the open champion, runner-up, third place and Class and Concurrent Champions will be determined by the longest run from the front of the event.
4. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
5. The shoot-off rotation will be determined by a lottery draw completed inside registration.
