## LADIES & GENTELMAN,

I would like to personally welcome all competitors, sponsors, vendors, family, and friends to the 2021 National Sporting Clays Championship! We are all very excited to be back to offering all of the fun and entertainment you know and love about "Nationals"!

We will be offering complimentary beer, wine and hors d'oeuvres several evenings as well as our Championship Parties on Friday and Saturday night. (Your schedule of event will have the exact dates and times.) Friday evening the Top Gun Shoot-Off is returning to the Stadium brought to you by Shooting Glass Specialist, Bearpelt Vests, and the NSCA, and then on Saturday evening the Federal North vs. Remington South Shoot-Out will be held. Many great random draw prizes will be given away each night, including guns, but you must be present to win the giveaways. These are events you don't want to miss!

Something new we are doing this year is a "Pink Out" day for Breast Cancer Awareness month. On Friday the 29th we are encouraging everyone to participate by wearing something, or everything, pink! Commemorative shirts are available in the general store and all proceeds from the sale of them will go to the Breast Cancer Research Foundation.

You will again have the opportunity to earn your Elite Shotguns Golden Tickets on the Main Event and Beretta Challenge Tickets on the Super Sporting, and we would never forget the crowd favorite MEC Golden Target scavenger hunt.

Please take a moment during the event to join me in congratulating all the 2021 NSCA Hall of Fame inductees and award recipients. This year's Hall of Fame inductee for shooting achievement is Carl "Skip" Zapffe and Lois Neely and Phil Murray will be awarded the du Pont Service award. The banquet will be held on Thursday evening and additional information on tickets and location is available in the program.

Friday morning, we will be offering a "ladies tour" that will be traveling to historic Castroville. There are a limited number of seats available, and the tour will include a stop at the Landmark Inn historical site, a wine tasting, and shopping as well as lunch and a few other adventures. Full details are available in the program.

Opening Ceremonies will be held at 6:30 p.m. Friday in the stadium field. Immediately following that we will not only be drawing for the USA Sporting Clays Team Raffle K-80 Shotgun, but we will kick off the annual Top Gun Shoot-Out as well. This year's Top Gun event is sponsored by Shooting Glass Specialist, Blaser USA and the NSCA.

Last but surely not least, Kolar Arms will again continue the tradition of awarding a Championship Ring to not only the National Champion but the Sub-Gauge National Champion as well. We want to give a special thanks to Kolar for their generous donation to not only the National Championship but their continued support of shotgun sports around the country.

As you enjoy your time here, please remember that our sponsors are a critical part of the National Championship and the NSCA. Our continued success is due in large part to their participation as well as all of yours. Please be sure to stop by and visit all our vendors during your stay in San Antonio; you might just find something you didn't know you needed until you see it.

Thank You and Good Luck to everyone!

Michael Hampton  
Executive Director

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms/lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/tornado or hail, the same cease-fire and field evacuation procedures as above will be

**CLAYS CARS** - Individually-owned clays cars, Gators, Mules and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from [www.mynsca.com](http://www.mynsca.com). A \$10 trail fee is required for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, contact Lori Bauchman at [lbauchman@nssa-nasca.com](mailto:lbauchman@nssa-nasca.com). **PERSONAL CART INSURANCE** - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Bauchman at [lbauchman@nssa-nasca.com](mailto:lbauchman@nssa-nasca.com) or by US Mail to:

NSCA  
Lori Bauchman  
5931 Roft Rd  
San Antonio, TX 78253

Your cart permit, which is to be displayed on the cart, will be available in your shooter packet. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance to Registration when you arrive and a permit will be produced and issued.

**SOLICITING** - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

**SAFETY REQUIREMENTS** - Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

**OTHER INFORMATION** - NSCA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

## HAYLYN HANKS

Haylyn Hanks is not only a top Lady and Junior sporting clays shooter but a top-tier shooter, period. Congratulations to Haylyn on receiving a \$5,000 NSCA scholarship in recognition of her shooting and academic accomplishments. A homeschooled student from Huntsville, Texas, Haylyn is the daughter of Robert Hanks and Stephanie Hanks. She is enrolled at Texas A&M University where she has been accepted into the Mays Business School.

Haylyn has been shooting since she was eight years old when she and her dad came across shotgun sports in a 4-H pamphlet that came in the mail. Ten years after that chance encounter, she is an accomplished shooter and still in love with the game.

Among her many championships and honors, Haylyn is captain of the NSCA USA Sporting Clays Ladies Team, World FITASC silver medalist and Texas State Ladies Champion. She also serves as volunteer coach for local 4-H teams and coach for the Lone Star Select Shooting Team.

"I owe my success to my family and sponsors who have supported me," says Haylyn. "My goal for the future is to become the first woman to win the National Sporting Clays Championship in the Open category."

## JOSEPH FANIZZI

No shooter has made a greater impression on the sporting clays and FITASC community in recent years than Joseph Fanizzi of Okeechobee, Florida. Congratulations to Joseph on being awarded a \$5,000 scholarship from NSCA, which he will use at Texas A&M University.

Joseph's home club – literally – is Quail Creek Plantation, where his parents, Frederick and Maria Fanizzi, are general managers and he grew up. He broke his first clay target at four years old and began competing in tournaments at eight.

In high school, Joseph was active in many extracurricular pursuits, including peer leadership roles and volunteer work. He was selected to the National Honor Society and Spanish National Honor Society, among other honors.

There's hardly a podium he hasn't stood on, from regional to world competition. Among his most prestigious awards are 2019 World English silver medalist, 2021 Western Regional HOA Champion, Sub-Junior National Champion for three consecutive years, and USA Sporting Clays Team member the past three years.

"While shooting and competing mean a lot to me, it comes after God, my family and education, in that order," says Joseph. He cites many people, including his parents and coach, Pete Hendrick, who have helped him thus far in his shooting journey.

# SCHOLARSHIP WINNERS

## AUSTIN CAGLE

Congratulations to Austin Cagle of Gainesville, Georgia, recipient of a \$5,000 NSCA scholarship. A graduate of Buford High School, Austin is the son of Casey and Marianne Cagle. He plans to study engineering at Jacksonville University, where he will be a member of the shotgun team.

Austin began shooting in the 8th grade after quitting baseball due to an injury. A friend showed him the sport, and soon he joined an SCTP team.

Austin was a member of the National Honor Society and Spanish National Honor Society, along with many other academic honors. In NSCA, he has been named to several All-American Teams, and he has won AA class in the Southeast Regional Championship and Georgia State Championship, among many other awards.

"As a member of the Jacksonville University shotgun team, I want to help people understand the appreciation I have for this sport, and hopefully help them come to the same conclusion," says Austin. He also wants to become an NSCA certified instructor.

Austin credits his coaches, Craig Peer, Steve McCraney and Gordon Morrison for their help. He expressed appreciation to his parents and grandparents for allowing him to travel and providing the means for him to pursue the sport.

## COLTON ROARK

Congratulations to Colton Roark of Carrizo Springs, Texas, recipient of an NSCA \$5,000 scholarship. Colton will attend Tarleton State University to study construction science and business, as well as join the shooting team. He is the son of Rip and Lisa Roark.

Colton began shooting sporting clays six years ago through his love for dove hunting and a drive to compete. "Once I started shooting sporting clays, it quickly became my favorite discipline," he says.

Like many other shotgunners, Colton's first shooting competition came through 4-H. He was a member of the Uvalde County 4-H Shotgun Team for six years and president of the team for his senior year. He also received his 4-H Junior Coach certification and served as Junior Coach on the team for two years. He won numerous 4-H competitions, including Texas State Games Senior 1 Sporting Clays Champion. He was HOA at the 2020 TSRA State Shoot. Among his NSCA honors are NSCA Sub-Junior All-American and All-State Teams. He was this year's Texas State Super Sporting AA Class winner.

Colton thanks his parents for their support and his brother Ty for providing friendly competition. He also credits William Berry for giving him the knowledge to compete at his best.

When you are done shooting you will take that ticket and drop it in the bucket located in the Elite Shotguns building on Vendor's Row to be eligible for great prizes. Everyone who is shooting the Main Event will have 4 chances to receive a Golden Ticket!

# NATIONAL CHAMPIONSHIP RING

Donated by  
**KOLAR**  
for presentation to:

**NATIONAL SPORTING CLAYS  
MAIN EVENT CHAMPION**

## KOLAR RING PROGRAM

Kolar Arms continues their commitment to the NSCA National Championship ring program that has been in place for over two decades. Kolar President, John Ramagli, elaborated on the history of the program and clarified the policy in place to recognize multiple year winners. "The program has been in place since 1985 for NSSA Skeet and was initiated by former Kolar owner Don Mainland as a way to recognize National Champions in that sport. Phil Murray was the first person to win the NSSA ring. It was adopted for sporting clays starting in the early 1990s, but we also went back and awarded rings to the NSCA National Champions who won the Nationals before the program was in place for that sport." Ramagli said Kolar even went so far as to retrospectively award a ring to 1989 Nationals winner Jim Jamison, winner of the first ever NSCA Nationals, held at Minnesota Horse and Hunt, along with all other previous winners.

In 2010 Kolar initiated a second NSCA program – the Sub Gauge

Championship HOA ring, which is awarded each year to the shooter who wins the combined high sub gauge score across all three gauges at the National Championship. Sub gauge shooter extraordinaire, Scott Robertson, was the first ever NSCA Sub Gauge ring recipient. Ramagli says the sub gauge ring is a very special award – and has a distinctive look to it, setting it

apart from the ring that is awarded for the Nationals' Main Event.

Ramagli explained the policy for acknowledging multiple-year Champions this way. The first time a shooter wins HOA at the Championship he is awarded a ring, which is augmented with multiple diamond chips in the ring bezel upon winning a second Championship. A third Championship earns a proportionally-sized diamond in the large stone. A second ring would be awarded upon winning a fourth Championship, should that occur. The rings are funded entirely by Kolar and are crafted by Jostens, maker of fine rings used to acknowledge championships and events by professional sports leagues like the National Football League, Major League Baseball, National Hockey League, National Basketball League and NASCAR.

"We've committed to the ring program with the NSSA and NSCA for years to come," said Ramagli. NSCA expresses its appreciation to Kolar Arms and John Ramagli whose support raises the bar for the game of sporting clays.

# THANK YOU!

We want to extend our deepest thanks to everyone involved in the 2021 US Open! We were able to have a successful event because of every one of you!

We are grateful to our target setters, referees, course managers, and trap manufacturing companies, the surrounding communities, visitor's bureaus, organizations and friends that came together with us.

We are thankful for the Security Staff from Cherokee and Crawford County, who provided 24 hour security for the event.

We'd also like to thank our Sponsors that joined with us to help make the event a success, and the Trap Companies whose outstanding machines threw over a million targets at the US Open.

And, most of all THANK YOU ALL for traveling to Claythorne and making the 2021 US Open one of the best!

## DETERMINING A NATIONAL CHAMPION

If the main event of the National Championship is shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the National champion, runner-up, and third place as well as first, second and third places in all Classes and Concurrents.

1. The total scores shot from all competitors plus the addition of 75 targets for any courses not shot will be the raw score to determine the champion, runner-up, and third place for the championship as well as first, second and third places in all Classes and Concurrents. No champion will be named unless all competitors have shot at least 150 targets.
2. Wednesday can be used to make up any day lost on either of the two day rotations, however if for any reason any rotation cannot be completed for any day, then that entire rotation will be counted as 75 targets for each competitor on each rotation. If this is to happen on one of the two day rotations, then the corresponding rotation(s) for the 4-day rotation will also be counted as 75 targets to each competitor. If one of the rotations on the 4-day cannot be completed for any reason, then the corresponding rotation on the 2-day rotations will be counted as 75 targets.
3. Ties will be shot-off or broken as if no uncontrollable occurrence has happened.
4. The shoot-off for National champion, runner-up and third place will be held, weather permitting, on Sunday of the National Championship in the Shoot-off Stadium at approximately 6:30 p.m. CST.
5. The shoot-off for first, second and third place in all Classes and Concurrents will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
6. If these above mentioned shoot-offs cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the champion, runner-up, and third place as well as first, second, and third places for all Classes and Concurrents shall be decided by scores on (2) two pre-determined tie-breaker stations on a course(s) that all competitors who are tied have completed. Assuming competitors have completed the course, the pre-determined tie-breaker stations will be used from courses in the following order: Red, Yellow, Green, Orange. If there is still a tie after comparing scores on all possible tie-breaker stations the Class and Concurrent Champion, Runner-Up, and Third place will be determined by the longest run from the front on courses they have all completed following the order listed above.
7. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
8. The shoot-off rotation will be determined by a lottery draw completed inside registration.
9. The National Champion will be the individual with the highest score.

## KRIEGHOFF-KUP, 5-STAND, COMPAK, SUPER SPORTING, SMALL GAUGE AND PARCOURS DE CHASSE EVENTS

If the Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge or Parours de Chasse events of the National Championship are shortened due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the following procedure will be used to establish the open champion, runner-up, and third place as well as Class and Concurrent Champions from shooters who have completed the events.

1. All awards will be based on scores of competitors who complete the event. If no shooters complete the event, no awards or punches will be provided.
2. The shoot-off(s) for event champion, runner-up and third place as well as Class and Concurrent Champion in each event will be held, weather permitting, on Sunday of the National Championship at approximately 6:00 p.m. CST at a site to be announced.
3. If the above mentioned shoot-off(s) cannot be held on Sunday evening prior to 10:00 p.m. CST due to the occurrence of any natural disaster, act of God or event beyond the direct, immediate control of the National Shooting Complex and National Sporting Clays Association the Krieghoff-Kup, 5-Stand, Compak, Super Sporting, Small Gauge and Parours de Chasse event's open champion, runner-up, and third place as well as Class and Concurrent Champions shall be decided by scores on (3) three rank-ordered, pre-determined tie-breaker stations. If there is still a tie after comparing scores on all possible tie-breaker stations the open champion, runner-up, third place and Class and Concurrent Champions will be determined by the longest run from the front of the event.
4. Any shooter who is not present 10 (ten) minutes before the shoot-off shall forfeit his or her position. The position will not be filled by any alternates.
5. The shoot-off rotation will be determined by a lottery draw completed inside registration.
